No 132

Extract from the Minutes of Consultation

Dated 23rd May 1857.

Read the following list

From the Collector of Salem.

Here enters 30th April 1857

1 In the foregoing list of objections taken by the Civil Auditor it is observed that a Pension of 8 Rupees was originally granted in the name of one Eoboolutch. I recommend the holder of Native Pension Fund Certificate No. 2935 so far back as 12th June 1810, both for her support as well as that of ^{one} joint stipendiary, ~~her~~ ^{her} ~~name~~ ^{name} Rookmany, whose name however is not given in the Certificate. This latter Pensioner is stated to have died in March 1262 and her portion of the stipend - viz. 3 Rs. have consequently lapsed to Government.

Resolved

2 Resolved therefore that
the original Certificate No. 2935
be returned to this office with
the view to the necessary alterations
being made therein, by the inser-
tion of the current amount - vizt
Rupees 5 in favor of Sooboolutch.

The Collector in the Audit reply for July 1263 explains that the pension was enjoyed by two individuals of which No. 3 has lapsed to Government by the death of Joint Stipendiary Rao Rmoney in March 1262. He is requested to reverse the sanction of Government, and to insert in the Certificate the current amount, that is to be paid to Sooboo Lutchmunmal. (True Extract)	The sanction herein required is solicited.
