Tankeed to the Tasildar of Manimungalum Hanoo Mujeerow from the Collector of Chingleput.

I have received your Arzee dated 24th June last Requesting to order the payment to you of Rs 359-10-8 being the arrears of your salary from 1st November last to 17 April 1857 the period in which your Service as Tasildar of Poonamally has been Stopt.

As, in the order of Governt, it is mentioned that you must be provided with public situation the Salary of which is Some what equal to that of the one you was before, & as it is not mentioned therein that you may be restored to your own situation, and as this passage is mentioned in my Tankeed given to you to be the Tasildar of Manimungalum you will know that you will have no arrears at all from the period you were out of Employ. The man who acted for you has received the full pay for the period you did not do the duty & therefore there is no money in deposit as may be paid to you. While you know this, it is needless task of yours that you lay a claim to this.

The period of 5 months which took up to get your matter settled is owing to your own act that is, you did not appear to give you your Muster Roll to your having appealed to the Board of Revenue who have no control to interfere in your matter for nothing. The matter was therefore not settled for that period. You did not appear before me to give the Muster Roll until the Board advised you to go & appear before me for that purpose. The delay occurred by the above Cause & not otherwise. Had you not delayed yourself in raise the matter would have been settled in a month's time - as it is your own that you did not do so, your request cannot therefore Complied -

Translation of the
Collector's last Order

Ch. 24/14/92/57

To His Excellency the Lord Harris K.C.B.
Governor in Council

The humble Petition of Hanoomajee
Row at present Tasildar of
Teroopooroor in the Zillah of Chingleput

My Lord,

In obedience to the Endorsement of Government made on my Petition No. 374 Lattered at the Collector's Office of Chingleput.

The Collector has, on the 18th April last, bestowed upon me the office of Tasildarship of Mannimungalum Talook the Salary of which was equal (i.e. Rs 70) to that of Poonamallee from which I was removed & for which I had cause to appeal to the Governt. In a short period I was in the said Talook I collected about 12000 Rupees. While so, the Collector changed me to another Talook called Teroopoorroor on the 9th June without any just cause whatever, in which I now continue to do the Circar duties & have nothing to complain on the subject.

I addressed an Arzee to the Collector requesting that I may be paid the arrears of my Salary for the period I was made to be without employ, but that authority has sent me a Reply stating that I cannot have the arrears applied for, it is not in deposit.

In the matter of the Collector's removing me
from Employ on a plea that he would submit
a recommendation to the Board to get me a
Pension, the Collector conferred an Acting
appointment on another in my stead -
Presently I appealed to the Board & Govt that
I am able to do the duties - Before any final
order is received on my appeal how can the
Collector be justified to issue full Pay to
the Acting incumbent & can he state that
that fund is not in deposit: which procedure
is opposed to the Circular orders - the Collector's
order is very unjust in my case - The amount
of arrears of my salary from 1st Novr 1856
to 17th April last in which I was without
employ is Rupees 389 - $\overset{a}{10}$ - $\overset{p}{8}$ - Which I pray
your Lordship will order the Collector to pay
me, and direct him that the period I was
without employ may be reckoned as forming
the period of my service

The translation of the Collector's
Tankeed is herewith sent for your Lordships
perusal -
