From
H. Newill Esqr
Acting Collector of Guntoor
To
J. D. Bourdillon Esqr
Secretary to Government
Fort St George.

Sir,

1. In conformity with the Civil Pension Rules dated 15th May 1851, I have the honor to submit an application for a Superannuation Pension from Hindoopoorum Ramarow Tahsildar of the Nursarowpett Taluk in this District, with a register in the prescribed form. The total period of his service up to 15th April is Y. M. D. 35-2-6 and the situations held by him are shown in the accompanying Memorandum.

2. The applicant served in Dharwar and Belgam zillahs in different capacities for a period of about 24 years. Authenticated certificates of his service were furnished to him by the Collectors of those Zillahs, which corroborate the statement now prepared with the exception of Months Days 6-14 at the very commencement of his employment in the situation of Rupees 8-12-.. per mensem.

3. The Collector of Dharwar was addressed on the subject as far back as 1st February last, and from his reply it would appear that

thro' the transfer of a part of that Zillah to the Sattara District there is difficulty in refering to the records for the verification of this period. There appears to me no ground for suspecting the truth of the applicants statements as regards this short period, and as neither it nor the salary drawn during it affect the claim to the Pension or the calculation of its amount, the omission may perhaps be considered immaterial.

4. With regard to the interruption in the service it appears from the letter received from the Deputy Collector of Belgam that Ramarow proceeded to his native place Hindoopoorum on leave of absence for 2 months, but in consequence of his not joining his situation within the period allowed, his name was struck off the list of that Collectorate from 27th May 1843. He was admitted on the Establishment of this Collectorate on the 21st May 1845. His service in this District is $\overset{Y.}{10}$-$\overset{M.}{10}$-$\overset{D.}{25}$ which has been verified by reference to the records.

5. Ramarow's Services appear to have been continuous with the exception of the interval of nearly two years above explained. The applicant is incapacitated for further effective service from advancing age. He has high testimonials of his conduct before joining this District, and he has since been distinguished as a very active and efficient Tahsildar, tho' of late his energy has fallen off as he has advanced in years.

6. In consideration of his general good conduct, and the long period of his service I beg to recommend that the applicant may, under the rule published at Page 818 of the Official Gazette dated 21st July 1854, be granted a Pension of Rupees (52) Fifty two per mensem being the half of the average salary drawn by him during the last 5 years to take effect from the 15th Instant, the date of his relinquishing the Public service.–

The Acting Collector in acknowledging the receipt of the Actg. Deputy Secretary's Memorandum of 19th Instant. would beg to observe that the case of Hindoopoo____ Ramarow Tahsildar of Nursarowpett appears to fall within the rule laid down in the Notification published in the Fort Saint George of 21st July 1852 in which the completion of the 35 years service entitles an individual to a retirement on a Pension without a Certificate of disqualification for further service, and that it is supposed the recent orders of the Court of Directors alluded to have reference to the case of retirement on account of infirmity of body or mind (within the 35 years) (as described in the correspondence which gave rise to the orders in question. The Acting Collector would therefore beg to be informed whether the above view is correct and a Medical certificate required in the present case.

2 Seven Sunnuds of appointment and 2 Certificates have been produced by Ramarow, in support of his statement. These have been examined in this Office and will, if required be forwarded.

Report of the Civil Auditor

The Civil Auditor has the honor to observe that in his report of the 15 June 1856, No. 65 he stated that A. Rama Row Tahsildar of the Nursaraowpett Talook of the Guntoor Collectorate, was employed under the local Government from 21st May 1845 to 30th April 1855 or up to 14th April 1856, the date of his retirement, 10 Years 10 Months and 25 days. making a period of 9 years 11 months and 11 days. —

In the letter from the Civil Auditor at Bombay, it appears that Rama Row served the Bombay Government from 15 February 1819 to 31st May 1843, or for a period of 24 Years 3 Months, and 17 days. But of this service, the period from 15th February 1819 to 31st May 1820, or 1 Year 3 Months and 17 days, during which he was employed as a "Gollar" at Rupees 8¾, is inadmissible. But as a break of nearly 2 Years occurs between the service rendered by him under the Bombay Government up to 31st May 1843 and that rendered under the Madras Government Commencing with the 21st May 1845, his claim to reckon his service rendered under the

Bombay Government is inadmissible under the Orders of the Honorable Court of the 15th August No. 75 of 1855.

But as this Circumstance is not held to deprive Rama Row of the privilege of Counting this period towards a gratuity and hence as the total period of his Service is 35 Years 2 months and 12 days he is entitled to a gratuity of 13 months salary which, at Rupees 80 per mensem his salary at the date of his retirement is Rs. 1040.—

From the Civil Auditor	18th August

The applicant for pension Hundoopoorna Rama Row, Tahsildar of Nursarowpett Talook in the Collectorate of Guntoor is reported to have served Government for a total period of 35 years. Of this period he served, it would appear under the Bombay Government for a period of about 24 years in grades entitling him to a retiring pension and for the remaining 11 years under this Government.

But as during the whole period of his service there occurs a break of nearly two years, between the date of his relinquishing the duties under the Bombay Government and that of joining the service of this Presidency in the Guntoor Collectorate, his claim to reckon his service rendered under the Bombay Govt towards a pension is vitiated under the orders of the Honorable Court of the 15th August No 75 of 1855.
