Petitioner, the Govt. Secy, was recom-
mended for a Pension on the 18th
February 1856 - he came to commence
from the 1st May following - No
regular Medical Certificate was
submitted - It was established by S^r
Macanillew, the H^d of the Dept, that
Petitioner was incapacitated by "old
age" and "impaired health" from an
efficient discharge of his duties, and
as the Orders of the Govt of India
No 3695. Financial Dept, under
date the 17th September 1855 were
then in force, this was all that was
necessary -

2. While his application was still
under consideration, a request was
made by the Deputy Inspector that
the date of commencement of
Pension might be altered from 1st
May 1856 to 1st March 1857. No
reason was assigned for the proposed
change, which, under date the 28th
April following was permitted by
the Govt. vide 22. M. C. idem.

deems it his duty to inform you
that the application for pension was

that he is still able & willing to work.
He prays to be allowed to remain in
the Public Service; and is ready to
appear before a Medical Committee

4. The G. in C. observes that the orders
of the G. of India referred to above
have been subsequently set aside
by the Hon'ble C. of Directors, and
that Medical Testimony must be
given in every case of application for
