Extract from a Despatch from the Honorable the Court of Directors dated 20th May, No. 39 of 1857.

Letter dated 6th July (No. 26) 1855.

120. Petition from F. Soobaraya Moodelly praying for a pension and for remuneration for losses sustained by him in connection with the investigation of the frauds in the Accountant General's Office.

25. This Petition ought to have been accompanied by the expression of your opinion on the claims of the Petitioner to consideration, on account of the part which he took in the discovery of the frauds in the Accountant General's Office. We presume that there can be no doubt that he relinquished his situation in the office from dread of the hostility of the servants, against whom he was about to bring the charge of fraud, and that he did render some service in the detection of their malpractices. If you are satisfied of these facts, we authorize you to grant to the Petitioner a donation equal to three or six months' pay, according to the view which you may take of his claims to remuneration. His application for Pension will necessarily be considered in reference to the Pension Rules for Uncovenanted Servants.

Extract from the Minutes of Consultation, under date the 19th Aug. 1857.

13. Will be referred for consideration to the Civil Pension Department.

Sir

I have the honor to acknowled receipt of Minutes of Consultation dated the 1 August last No. 1173 passed on Para 25 of a Despatch from the Honorable the Court of Directors dated the 20th May No. 39 of 1853 and referred to me on the 2d Ultimo for repo on the subject of a Petition from V. Soobaray Moodelly praying for a pension, and for rem-neration for losses sustained by him in conn-tion with the investigation of certain charges preferred by him against certain servants this Office.-

2. Under the impression that the reference has been made to me chiefly for information as to the claim of the Petitioner a Pension, I have the honor to report that V. Soobaray Moodelly served in this Office

upwards of fourteen years, as shewn in the margin. He entered the Office in August 1836 and left it in March 1851. He relinquished his situation in the Office, and there can be no doubt, as the Honorable Court observe, that he did so from a dread of the hostility of the servants in it against whom he was about to bring his charge of fraud.- From the 1st March 1851 his salary had been reduced from 28 to 20 Rupees per mensem, but he never received his salary for the few days he remained in the Office at the reduced rate.- He in belonged to the Agency Department when the reduction took place.- Had he remained in that Department on his salary of 28 Rupees until it was finally abolished on the 26th June last, the period of his service would have extended to upwards of 20 years, and thus entitle him to a pension of one third of that amount of
