2. I would bring to your notice, however, that there remain three individuals, whose cases I would beg to submit. They are all old Servants of Government, and deserving of its consideration, one of them is the Conicopoly who is unfit for further Service, and the other two, are the Peons for whom the District Engineer has no Employment.

3. A Statement of the Conicopoly's Services is enclosed. He has been upwards of 31 Years in the Service and is 60 years of age. He is feeble and worn out, is harassed with

I beg also to forward a Medical Certificate of his unfitness for further Service, and would recommend that the case be submitted to Government for the Pension usually granted to old and deserving Servants of His Class. His pay has always been 14 Rupees a Month..

4.- The Peons whose names and Services are given in the margin, have always performed their duties satisfactorily and after so long a Service, may, under the liberality of Government there being now no further employment for them, be considered deserving of some gratuity on their discharge.-
