No 300

2nd November 1857

Read the following letter
from the Chief Engineer J. P. W. } here enter No 593
2nd October 1857.

In Ex. M. Co. No 303 2nd 7th
Decr 1850 he got directed to
issue a Certificate to the widow
of late Revenue Surveyor Gaynor,
who was specially pensioned by
the Honble Court. Mrs Gaynor
has four children, two sons & two
daughters. It was stipulated by
the Honble Court that the pension
(20 Rs per mensem in amount)
sh^d be revised on the eldest son
attaining the age of 18 years.
That event took place on or about
the 31st August last. Mrs Gaynor's
Certificate is therefore forwarded
to the paying officer, the
Chief Engineer J. P. W., who

Despatch No 14
2nd 2nd June 50.

requests, on comp. aforesaid grounds, that the pension may not be reduced in any great degree.

2. As the eldest son is no longer dependent on his mother but has left her house to earn his own livelihood, he has to think the pension may be reduced by the sum of one pagoda monthly.

A certificate will be accordingly issued for a Pension of Rs 16. 8

[Rupees ten and annas eight] to commence from the 1st Sept^r ultimo.

3. The particular attention of the Chief Engineer is called to Para 4.

Appendix No II of the Pension Rules. He will observe that on the occasion of payments being made, the receipt of the Pensioner is to be written on the back of the Certificate and attested by the initials of the Paying Officer. Col Faten is also requested (no attention having been paid to many previous intimation to the same effect)

to bear in mind that in all cases of Pensions he should address the Chief Secy. to Govt, the words "Pension Sept^r" being superscribed on the envelope. An attention to his regulation will facilitate business in the Govt office.
