C. Soobramoodaswami in the
Civil Audit Office having applied to me
for a certificate on which to ground an
application for transfer to the Prison
Establishment.

I do hereby certify that I have carefully
examined this individual and find
that he is suffering from disease of the
kidneys of long standing and impaired
general health, which render him
permanently disqualified for any further
active service, and I do declare
that to the best of my knowledge
and belief these disqualifications
have not been occasioned by in-
temperance or any other irregular
habits.

From

Civil Auditor

To
A. Tazewell Esq^r
Chief Secretary to Government.
Civil Pension Depart^{mt}.

Sir,

I have the honor to forward an application for some retiring provision from C. S. Woodell, aged 55 years, an Examiné on my Establishment dated the 19th ultimo, with a Medical Certificate of disqualification for any further active service, by Surgeon A. L. Loring M.D.

2. According to the statement of service furnished by S. Woodell, and which has been verified by this office and found to be correct, he would be eligible for pension if his service, aggregating 21 years, 8 months and 3 days, had been continuous: but on two intervals, each beyond a year and not occasioned by the abolition of his office, occur in his service during which he was not in the employ of Government, his claim to a pension is vitiated thereby.

3. The breaks in S. Woodell's service, are stated to have been occasioned by his resignation of his office on both occasions. The resignation in the second instance was caused by
at length,

ill health or partial restoration of which, the result
apparently of 4 years' seclusion from business, it
would appear to have induced him to seek employment
again, for which after a year's trial he has found
himself to be quite unfit, and hence has abandoned
all intention of ever again engaging in service.

4. Under these circumstances I beg to
recommend Jacob Modell, for the highest amount
of gratuity to which from the length of his service
he is eligible under the rules, Vizt. Paper 1050 or
13 months' salary on Paper 80 per annum.

I have the honor to be,
