that applicant has served for a longer period than that served upon in the late 1st division at the Bangalore Fort of District as given a claim for a pension. It will be observed that there is a break of 4 years in the applicant's service. He appears to have been under suspension for the above period for a charge of which he was fully acquitted and was consequently released while in situation. His conduct and Character appears to have been good and he was generally known to be a good man. He was recommended by the Collector of North West for a pension of Rs. 15 per month from 1st July 1857 to the amount of Rs. 15 per month half of his average monthly salary during the last five years.

The Commr of N. West submits
 the Register of an application for
 Pension on behalf of Cookpa Rora,
 late Police Agent of Tripehly,
 "with reference to the recent or-
 "ders of Govt regarding the grant
 "of Superannuation Pension
 "to Unconquered Servants after
 "a period of 35 years' service,
 "without medical certificate!"

2. The Coleridge has not quoted the order, and if he had referred to it ~~for a moment~~, he would have discovered that the course he has taken in Cook's River case is wholly erroneous.

3. In the first place the "good service pension" is not claimable as of

No 186

Circular

July 21/54.

right. His grant depends
on the view Govt, not the head
of the office, may take of the
records of the applicant's em-
-ployment. Every applicant
must produce ~~unquestionable~~
"testimonials of a faithful &
"efficient discharge of his
"duties during a period of
"35 years". If the Govt consider
these testimonials "unquestionable"
proofs of merit, the individual
is pensioned, otherwise he con-
-tinues at his post, till super-
-annuated in the regular way.

4. Mr. Mittham has reversed
his order of things. Coppa Row
is permitted to resign his office
on the 30th July, and three months
afterwards, as if the proposed
arrangement were a matter of
course, the Collector submits
the application on his behalf,
to be admitted to the benefit of a

9
"good service" pension, he came
to take effect from the date of
resignation. A general state-
-ment is tendered that the appli-
-cant's conduct & character have
been good, and the Collector, it
appears, has been "informed that
"he (Coppa Row) was favorably
"known to Mr. Boudillon".
But no extracts from any orders
of Mr. Boudillon or other official
papers have been offered by way
of "testimonials" to that effect;
and it must be presumed that
no such evidence is forthcoming.

5. The Collector was not autho-
-rized in permitting Coppa Row
to retire, on the understanding that
a good service pension would be secured
to him. He should have continued
Coppa Row as Police Ameer, and
submitted his application accom-
-panied with copies of such Proce-
-dings of himself and his predecessors
as commented favorably on
the applicant's character & attain-
-ments.

6. Cooper Row, however, must not be allowed to suffer from the oversight that has occurred. His place has been filled up, & from the Collector's meagre description of him, it is extremely doubtful if his services have been periodically marked by the "unquestionable testimonials" required to entitle him to the privilege asked for. As he mistakes, at the same time, is on the part of the head of the district, Govt. deem it but reasonable to admit his old servant, as a special case, to the benefits of a Pension. He has served more than 35 years, and will accordingly receive a pension of one half his allowances for the last 5 years, or, as calculated by the Civil Auditor, Rs. 22. 2. per mensem.

7. Resolved to circulate this Rs. 22. 2. to the several depts, in order that it may be fully understood that pending the sanction of Govt. to an application for a "good service" pension, the officer recommended for that privilege is to retain his appt. J. S. 17/11/57
