The Board have carefully considered the claim preferred by V. Vincent-
now, late Head Sheristadar of Mallore to
be pensioned on the full salary of the office
he has vacated with a reversion of $\frac{2}{3}$ rd of
the allowance to his heirs for two generations.

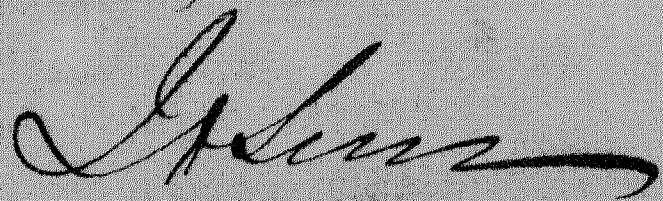

Vincent now has served Government for a lengthened period in a meritorious and creditable manner and was Head Sheristadar of Vizagapatam at a time when the District was in a disturbed state.

The

The Board consider
Venentrow has well earned the pension al-
-lowed by the rules but they do not con-
-sider that he has established a claim to
special indulgence-

4
In forwarding his
Petition N^o 3724 of 1857 for the information
of Government it is only necessary for
the Board to remark that they have given
it due consideration. The "Pyang" rent
referred to was merely a settlement with
the most influential men of each village
and the arrangement involved no serious dif-
-ficulty. The Board cannot trace the circum-
-stances under which Venentrow was sent to
Vizagapatam, but his selection and promotion
on that occasion would add little force to
his present claim-
