From Assistant Surgeon H. Harper
Zillah Surgeon Chittoor
To The Collector
of North Arcot

Sir,

I have seen and examined
Permaliah, the writer referred to in your
letter N^o 160, and find him labouring under
numerous urinary fistulae depending upon
a severe stricture. He is in appearance a much
older man than his years; and the complaint
he is afflicted with, will render him
a less efficient public servant, but I am
not able in his case to grant the certificate
required by G. O. 17th December 1854 as I
view the disease to be the result of his
own imprudence. —

I have &c

Acting Chief Secretary to Government

Sir,
I have the honor to lay before
you the following circumstances connected with
an application made to me for a Superannua-
tion Pension, by a Writer in my Establish-
ment named Personalish, for such orders
as the Right Honorable the Governor in
Council may deem fit.

2- As I found that the Writer
in question was rendered by the state of
health quite unequal to the duties he had to
perform, and as he had completed a period of
service which would entitle him to a Pension,
I suggested his applying for a retiring Pension,
which he accordingly did. With reference to
the

the orders of Government marginally
noted, I addressed the Zillah Surgeon - ^{Port St. George}

ed Medical certificate. Copy of his reply is
herewith submitted. The Zillah Surgeon
certifies to the Writers impotency for the efficient
discharge of his duties but expresses his
inability to give him the Certificate required
by G. O. 17th December 1844 as he believes
that the state of health by which Peroo-
mahliak is rendered inefficient is the result
of his own imprudence.

3- Though unable to support
Peroomahliak's application with the required
Medical Certificate, I would yet venture
to recommend a compliance with it on the
grounds of his long and efficient services
he has rendered to Government, and which
have been recognized by my predecessors.

4- An application in the
prescribed form is submitted. The state-
ment of the length of Peroomahliak's services

is supported by the records of this Office.

Commissioner of the General Land Office
for his consideration about the case of
the land in question. I have no history of the case
to which I have been referred to, but
I believe to have been a long time in the
hands of the Government for many years, and owing to
the neglect of the proper authorities have not
been brought forward until now.
