This is to Certify that V. Bahuravamsortie
Gomastah Collectors Estab^t is in a bad
state of health. And I am of opinion that he
will never be fit for duty. He is now
labouring under Dropsy, complicated with general
debility, & most probably Disease of the Spleen
the result of continued attacks of fever

Para 1 I have the honor to submit for the consideration, and orders of Government, the accompanying applications for Pension from two servants on the Collector's establishment of this District, together with Registers of the same, duly filled up, and Certificates of Medical Officers.

Para 2 The first of these, Tistnoobulla Bhyrava Moorthy, at present holds the situation of Salt Pichear in the Hoozoor Catcherry, salary Rs 17½. He completed a service of 20 years on the 31st December last. He has been ailing for some time past, and is so much shattered in health as to leave no hope of his being able to serve further at any future time. Both for his own sake, and for the interests of Government, it appears necessary that he

should retire. There has been but one interval in the period of his service, and this was occasioned simply by the reduction of establishment consequent upon the abolition of inland transit duties. He was absent on authorized leave for $12\frac{1}{2}$ months, which of course counts for pension. As the length of his service entitles him to a retiring allowance of a third of his average receipts, I beg to recommend that he be allowed a pension of Rs 6000 per annum to commence from the 1st February 1857.

3. The second applicant, Gadavully Venkajee, is in a precisely similar condition, in respect of his physical inability to render efficient service any longer. He is now in the situation of Peishear of the Myla-narum Estate, which is under the Collector's management. His period of service calculated to the end of December last is years 20, months 10, days 4. For the last few months, a substitute has been employed on a portion of his salary, he himself receiving the rest. During his whole career, he appears to have been suspended for a month for levying, without authority, a fine

of two Rupees from a workman, at the instance of an Engineer Officer - otherwise, the service has been continuous. His whole absence on authorized sick leave has been one year & 19 days, provision being made out of his salary for the discharge of his duties during the time.

As he is reported to have borne a very good character and is in very needy and helpless circumstances, I beg to recommend a monthly Pension of Rs 500 payable from the collectors treasury of Rajahmundry.

I have the honor to be

Sir,
Your most obedient servant

The Civil Auditor has the honor to report that the portion of the Services of
+ V. Bhayramamurti, Hoozoor Sayer Goomas-
takh and G. Venkajee, Head Goomastah of
the Goodewadah Talook, of the Mamli-
palam Collectorate - noted in the Margin.

is alone
traceable
in the
Records
of the

Audit Office. In the Case of Bhayaramant,
even should the Government perceive just
grounds for the admission of the services
alleged to have been performed by him,
which are not susceptible of verification by
the Civil Auditor, a gratuity of 13 months
Salary, at Rs 17 1/2 a month, amounting to
Rupees 227 1/2, will be the limit of his Claims
on the bounty of Government: inasmuch as of the
aggregate term of his Services, viz 20 years
and 6 days, the period of 12 years 8 months & 9 days
was rendered in a grade the Salary of which
being, as stated, only Rs 10-- a month,
disqualifies

map of the town, incl.

[illegible]

disqualifies it for computation in the term of service towards a pension.

2. As regards Venkajee a similar remark is applicable, and hence a gratuity of 13 months pay at Rs. 14-4-0 per mensem, amounting to Rupees 182, will likewise be due to him if the Government on other grounds consider him a deserving servant.

With this taken are forwarded two
copies of applications for Pension
one on behalf of V. Bhayravan moorthy,
the Hoogoor Sayer Gomasta, and the
other on behalf of G. Venkajee, Head
Gomasta of the Goodewadeh Talook.

Both officers, as it is stated by the Sub-
Collector in charge, have served the
Govt for between twenty & twenty
one years. and Mr. Chate recommends
that he be allowed to retire on pensi-
on equivalent to one third of his
average pay for the last five years.

2. The Civil Auditor is not able to
certify in either case any but a small
portion of the Applicants' alleged
services; but this is immaterial, it
appearing that neither of these individ-
uals has served the required time
in grades entitling them in accordance
to the benefit of the Pension Rules.
