I hereby certify that I have examined  
Appa Row Karkoon of Cusack Hosty, of Hosty  
Talook, in the Bellary Districts, and find him  
Worn out by old age / being 71 years / and General  
infirmity; Eyes sight very defective, and in my  
Opinion unequal to the further performance of duty.  
To the best of my belief such disqualification is  
not the result of intemperance or other irregular  
habits.

4. From the above it will be observed that Apporow was without employ on 3 occasions for a total period of 6-9-10 he also held temporary appointments for a period of 5 months & 21 days which cannot be calculated with the other services entitled for pension, this being therefore excluded leaves a net period of upwards of 31 years service in the fixed appointments.  
 5. The order of the Honble Court of Directors published in the Fort St George Gazette dated 27<sup>th</sup> November 1855 page 1126 I understand not to have a retrospective effect.  
 6. During the above period of service with the exceptions noted, Apporow conducted himself satisfactorily; the average salary per annum calculated on preceding 5 years amounts to 1200 Rs and I beg to recommend that a Superannuation Pension equal to a moiety of his pay being 600 Rs per annum may be conferred on Apporow retrospectively from 8<sup>th</sup> May last on which date he retired & his pay ceased. The delay which has occurred in submitting this application since his resignation is attributed to the applicant's having been unable to appear before me for the purpose of taking down a descriptive Roll owing to severe illness from which he has only lately recovered.

Report of the Civil Auditor.

The Civil Auditor has the honor to report that the authorized Official allowance of Appoo Row, late a Gilladar of Kusabk Gooty on the Establishment of the Collector of Bellary, for the last five years of his service, is Rupees 12--- per mensem, and that his service under the Government entitling him to a pension embraces a period of only 13 Years, 10 Months, and 29 days, viz

\* or 13-11-6. up  
to 7<sup>th</sup> May. 1856.  
according to Mr.  
Polly's Statement.

2. Approo Row's service prior to June 1842 is inadmissible under the orders of the Honorable Court of 15<sup>th</sup> August 1855, in consequence of a longer interval than 12 months occurring during which he was not in employ, in consequence (as is reported) <sup>of his</sup> resignation at his own accord. The belief of Mr. Pelly that this order of the Court is not to have retrospective effect, has been already taken notice of by the Civil Auditor in his report on Lutchman Row's application for pension, dated 11<sup>th</sup> instant, p. 2, 6/2. —
