Government in fixed employment for
years 32-3-3 and in temporary employ
for 1-8-24 making a total period
of service of 33-11-27 years according
to the following particulars verified
by the Records of this Office.

To Put Mootenddy of Chennumpully
Talook from 1st January 1820 to 31st
December 1823. — 4-11-11

To Gillahdar at Sonie Talook
from 1st January 1824 to 31st May
1827. — 3-5-11

To Extra Gillahdar of Mootamadogoo
in the Dhurmanem Talook paid
by Levay Janniah from 1st June
1827 to 24th June 1828. — 1-11-24

To Gillahdar of Apparascherwoo
of Dhurmanem Talook from 25th
June 1828 to 25th January 1832. — 3-7-2

Without employ from 27th January
1832 to 31st July 1833. — 1-6-4.

To Ananie Mootenddy of Peapully
in Pinchappalem Talook from 1st
August 1833 to 31st March 1834. — 1-8-11

Again as Gillahdar of Ramasbroog
in the Goollem Talook from 1st April
1834 to 12th March 1844. — 9-10-12

To Gillahdar of Coonchoor in the
Thurpanhully Talook from 13th March
1844 to 15th April 1853. — 9-1-4

To Gillahdar of Smta cooloor in
Goollem Talook from 16th April
1853 to 31st July 1855. — 2-3-15

Total. 33-11-27

4 From the above it will be observed
that Putchumundoo was without employ
for a period of 1-6-4 having been dismissed
for neglect in his duty. He also held
temporary employment for 1-8-24 which
cannot be calculated with the other
services entitling for Pension. These
two periods viz 3-2-28 being therefore
excluded, leaves a net period of upward
of 30 years service in fixed appointment.

5th August
1855 No. 75.

5 The Order of the Honorable Court
of Directors as published in the Fort
St George Gazette dated 27th November
1855 page 1426 directs that if an uncon-
stant servant be dismissed for
misconduct, and he subsequently re-
admitted to employment, his first service
is not to count for Pension. But with
this exception we shall allow twelve
months to elapse between two periods
of service without the servant forfeit
his claim to count the first period as
well as the second towards the Pension.
The privilege, however, of re-
election

reckoning the time of service can only
apply to two periods. If there is any
other interval, the service that may
follow, cannot be counted as continuous.
But I understand this order not to have
a retrospective effect.

6 During the above period of service, with exception noted, Dutchman Row conducted himself satisfactorily; The average salary per mensem calculated on the 5 years preceding his resignation amounts to Rs. 10-8-0 and I beg to recommend under the above circumstances that a Superannuation Pension equal to a moiety of his Pay being 5 Rs. (deducting fractional part) per mensem may be conferred on Dutchman Row retrospectively from 1st August 1855, the date on which he retired & his Pay ceased. The great delay which has occurred in submitting this application to the applicants having been unable to appear before me for the purpose of taking down a descriptive Roll from

from great illness from which he has
been only lately recovered.

Report of the Civil Auditor.

The Civil Auditor has the honor to report, that the authorized Official allowance of Lutchmun Row, late a Zillahdar of Sutta-cooloor in the Goollem Talook, on the Establishment of the Collector of Bellary, for the last five years of his service is Rupees 10-8-0 per mensem; and that his service under the Government entitling him to pension, embraces a period of 21 Years & 4 Months; viz^t from 1st April 1834 to 31st July 1855, the date of retirement of the applicant from the service. As this retirement is stated to be in consequence of the extreme illness of the applicant, and as this circumstance, as reported by Mr. Pelly, has occasioned the lapse of about 17 months in the submission of the application for pension the orders of Government of the 25th April 1835 will not apply to the present case. —

2. The services of Lutchmun Row anterior to April 1834 are inadmissible under the orders of the Honorable Court as Conveyed in para. 3 of their Financial Despatch

*published at page 236 of the Gazette for 1835.

The Civil Auditor signed
30th Dec 1855

appeared on 15th of 15th August 1855, as
he was for a short time out of employ
occasioned by his dismissal for neglect.
The above despatch of the Court has been
considered by the Audit Office as merely
interpreting the Pension Regulations which
were not previously sufficiently expository of
their meaning, and not as introducing a rule
for the first time, as Mr. Pelly appears to
regard it in para 4 of his letter of 15th December
1856: at all events effect has been given to
these orders in similar cases.—

3. The existence of the C^* order has

with respect to Mr. Pelly, who
 however is of opinion that it has
 no retrospective effect. The Govt
 concurs with the Civil Auditor that
 the order cannot be so interpreted.
 It does not constitute a new rule,
 but contains an exposition of
 rules already existing.
