Respected Sir,

I beg leave respectfully to acknowledge the receipt of your Circular Nos 3969 and 33 dated respectively, the 15th 2^d 2^d and 3^d Instant, and to state in reference thereto, that I am almost on the brink of my grave, being 75 years old, totally blind for the last 6 months and infirm since of late, and consequently fear that I will not obtain a commutation of my Pension.

Under the circumstances above described and as I am growing weak and helpless day by day, I beg to say that I have, a fortnight ago, removed my residence from the Town of British Cochin to make my future abode with my only daughter the wife of Mr. F. L. d'Lemos of the Resident's Office, now at Polyhaty; and being solicitous to

Draw

draw my Pension of 15 Rupees hereafter
from the Residency Treasury in Travancore,
I humbly beg you will be kindly
pleased to communicate with the British
Resident, in view to my pension being
paid to me by that Officer, commencing
with the month of January 1857 for which
I shall ever feel grateful to you.

The Pension I last drew
from your Treasury through the Revenue
Sheristadar at Cochin was for December
1856, and on the 14th Instant.

I beg leave to remain Yrs
