To,

The Superintendent of Police

Sir,

I have the honor agreeably to the Orders expressed in the annexed Copy of a letter from the Military Board to my address the 24th ultimo to enclose a Roll of Peons on the Establishment of the Inspector of Streets and Roads shewing the Names, Caste, Country, Age, and term of service of each Peon; also the Pay of each, and the several Streets and Roads to which the different Peons are at present attached.

The duties of the Road Peons are the same as stated in the 2nd para of my letter in the Public Road Department this date. The other Peons accompany the Scavenger Baudies to accelerate operations and see that the Sweepers and Coolies do their duty, and that the ditches and Drains are kept perfectly clean. The Muffadars Superintend the several divisions of Peons, Sweepers, Coolies &c and make their reports to this Office. But as I apprehend

head it is intended they should be transferred to your Charge along with the Pons. I shall be without sufficient hands to ascertain and report as to the proper discharge of the duties of the Menial Servants of this Department until some other arrangement is made. It is however a matter of doubt with me whether the Scavenger Pons are intended to be transferred to your Charge or not, on which subject I shall have the honor to address the Military Board.

I beg that the Pons attached to this Office may for the present be continued here.

I have the honor to be
