Sir,  
1 Agreeably with the Provisions  
contained in Clause XI of the Rules re-  
garding the grant of Superannuation  
Pensions, I have the honor to forward,  
for the favorable consideration of the  
Right Honorable the Governor in  
Council, a Register of Application for  
a Superannuation Pension in behalf  
of V. Hanoomajee Row, late Tahsildar  
of the Poonamally Talook in this Dis-  
trict, who has been found unfitted for  
the duties of his Office from Leprosy,  
with which he is unfortunately afflicted  
to a most disagreeable extent, and which  
raises disgust, and sickening feelings  
in any one with whom he comes in  
contact. His hands, feet, legs, mouth,

and other parts of his body are all infected rendering him a most loathsome object, and instinctively repulsive.

2 The Gillat Surgeon, Dr. Patton, whom I requested to examine him & furnish him with the necessary Medical Certificate prescribed in Col. 10 of the rules, has reported that he is subjected to a form of Disease characterized by an absorption of the coloring matter of the skin, which, for want of a more definite designation, is very generally classed with Leprosy. Copy of his letter is herewith enclosed for the information of the Right Honorable the Governor in Council; and though it will be seen that Dr. Patton considers he has none of the disgusting attendants of Leprosy, his appearance will, I think, be sufficient to convince anyone that he is none the less disgusting from those peculiarly attacking to his own unfortunate Complaint, and which he holds in common with all others similarly circumstanced.

3 The Joint Magistrate at Poona, namely, Lieut. Col. Impett, twice applied to me to remove him, and the District Engineer has frequently expressed to me his feelings of disgust at having to transact business with him, and even went the length of denying him access to his person, so that his appearance has been acting as a drawback to his position, & by rendering him repulsive, and unapproachable, deprived him of that free intercourse with his superiors which is essential to the proper performance of their respective Duties.

4 My own wish was to have remained him to a Talook Sheristadarship from which he had been accidentally promoted by Mr. Smollett before leaving the District by mistaking him for another Individual, and not to have asked for his Pension, as I thought, notwithstanding his affliction, the nature of that appointment, by not bringing him in personal contact as an Executive Officer, but allowing him to work at his accounts in his  
Cutcherry

Cutcherry, would have allowed him  
to continue in the Public service -  
without detriment. The arrangement  
however was not agreeable to his feelings,  
and I have the only alternative left  
me of requesting the favorable consid-  
eration of Government to his claims  
and conditions.

5 I was in hopes that Hanooma-  
jee Row, from the consciousness of  
his own repulsive appearance, would  
have acquiesced in either arrangement,  
and have been glad to revert to his  
Talook Sheristadaship, or have accepted  
his Pension. The contrary however  
has been the fact, apparently based  
on the Medical description of his  
disease declaring it not to be genuine  
Leprosy, though usually classed as  
such, and I may inconsequence have  
expressed myself in stronger terms -  
than I should like to use to one so  
unfortunate, had they not been forced  
from me by his own behaviour and  
been the real, though unwillingly -  
uttered expressions of my feelings regarding  
the

17  
the effects produced in me by his  
personal appearance. I should be  
greatly sorry if it could be supposed that  
I had said any thing more than was  
necessary to describe those feelings, and  
the effects they had produced in me &  
two other gentlemen of the District.

6 I beg to recommend that Hanoo-  
majeed Row may be permitted to draw  
a Pension of Rupees 16-0-0 being one  
third of the average monthly Pay he has  
drawn for the last five years, or directed  
to revert to a Talook & Sheristadaship  
where his Duties will not necessarily  
bring him in Contact with those of  
his Superiors to whom his appearance  
has been painful, should it be thought  
that the Pension Rules were scarcely  
intended to apply to his case, who, though  
outwardly unfitted from appearance to  
do credit to his Duties, was still phy-  
sically equal to them in other respects.

7 The services of Hanoomajeed Row  
have extended over twenty two years as  
per detailed list herewith enclosed, &  
it will be seen that they have been  
continuous with the exception of five  
months.

month when the appointment he held  
was abolished, and a period of one month  
and 19 days spent on leave when sub-  
stitutes were appointed to act for  
him.

8 The 15<sup>th</sup> October last was the  
date on which he ceased performing  
the duties of his Office, and will be  
the date on which his Pension should  
commence. In explanation of the  
present delay, I have the honor to  
state that it has been altogether  
Hansraj's own, caused by  
his declining to appear before me for  
the purpose of drawing up his descrip-  
-tive Roll, though repeatedly sum-  
-moned, and not attending till finally,  
directed to do so by the Revenue  
Board.

I have the honor to be  
Sir,  
Your most Obedt. Servant.

of the lists furnished to him not containing
