I hereby certify that I have carefully
examined Mr V. M. Pacheco, Assistant
Accountant at the Collector's Office, Canara.
Mr Pacheco is suffering from a disease, which,
though it has not brought him under my
direct medical treatment, has of course
caused his detention from Cutcherry.
He is moreover somewhat infirm from
advanced years and has very imperfect
vision.

Under these circumstances I am of
opinion that he is not equal to the
active duties of his office.

There is no reason whatever to think
that his disease or general infirmity
has been caused by intemperance
or other irregular living.

I hereby certify that I have carefully examined Mr Francis S. Moronka Record-keeper at the Collector's Office Mangalore.

He is of advanced years but the examination does not bring to light any bodily disease nor does his general appearance indicate infirmity. He appears however to be rather weak of intellect but whether naturally so or whether the result of age, I have no data for determining.

I am moreover informed by the Collector who alone can be the proper judge in this respect that he is defective in memory. With such mental deficiencies I am of opinion that he is unfit for the duties of a Record-keeper.

There is no reason for thinking that his present incapability for office has been caused by intemperance or irregular living.
