Sheweth, certify that, in my opinion Appraiser
Pantholow Record keeper of the Collectors Hoogoon
Bellamy is quite worn out, and incapacitated by
the general infirmities of age and long service, for
further duty, his eyesight very defective, & is also
deaf, present age said to be 63 years, and service 40.
I have no reason to suspect, that his present state
of inefficiency is in any way the consequence of
intemperance or other irregular habits.

I beg to state that I do not consider that his Pension need be conditional.

3 Affiah puthaloo has served the Government for a period of 30 years & 2 months in this District, according to the following particulars, verified by the Records of this Office.

5 Besides the above period of service,

Affiah puthaloo states that he previously served as a permanent Sayer Goomastah in the Collector's Cutcherry at Masulipatam for a period of 6 years and my accounts show that he has received a refund of Rs. 22-3-3 from the late Native Pension Fund, on account of subscriptions made by himself to the said Fund while serving at Masulipatam, but I have not thought it necessary to include that service with his service in this District, as the period of the latter is of itself sufficient to entitle him to a half Pension.

6 I have much pleasure in testifying to Affiah puthaloo's having throughout the period of his service in this District conducted himself most satisfactorily.

The average salary per mensem calculated on the last 5 years of his service amounts to Rs. 35-0-0. I beg to recommend that a superannuation Pension equal to a moiety of his pay being $1\frac{1}{2}$ Rs. per mensem, may be granted to Affiah puthaloo from the 11th Instant, he having retired
