This is an application for a Pension in behalf of Janakaram Puntooloo, the Naik Hindustani of Southurst. The District Surgeon has declined to certify that the applicant is physically unfit for the performance of his duties; "of the state of his mind" it is added by Dr. Crawford - "I have no means of forming an opinion."

2. The Collector accordingly submits the application as an exceptional case. Janakaram, he states, has faithfully served the Govt. for a period of (38) thirty eight years. His character has always stood very high, but being naturally deficient in energy & activity, each succeeding year shows him to greater disadvantage; his incompetency at present is a serious obstacle to business.

3. The Govt. must decline to grant the case of the applicant as a special

one. The order of the Honble
Court, quoted in Para 8 of
Mr. Bell's letter, forbid him
doing so. The Collector should
clearly describe to the Dyllah
Sungoon the extent and nature
of the arduous & important
duties assigned to the Deputy
Theristadar of a District -

His clear & concise
from the Collector's
statement that
Janakaram is &
has for years been
filling an appoint. There has remained an ample
-ment for which he
was at that time
fit, and in which
he never should have
been placed. He
must therefore either
be removed to some
post of less difficulty
and responsibility
or may retire on a
pension. He cannot
be pensioned. nor
can he remain in the
Deputy Theristadarship.
