Sir,

Para 1 I have the honor to transmit
an application in the prescribed form accompa-
nied by the documents noted in the Margin
for a Superannuation pension from Chavoor
Sooria Annain Row Tahsildar of Alchappore
Talook in this District. —

2 The proposed amount of pension
in the Register has been calculated agreeably to
the revised rules of the 15th May 1851 at Rupees
49-13-4 per mensem being one half of his pay
on an average of five years previous to the date
of application and the pension is to take effect
from the date of the receipt of the Government
Sanction if after the 16th proximo. —

The applicant's services are not continuous but they amount in all to more than 40 years as shown in the Register. The Honorable Mr. Russell in para 56 of his report to Government dated the 11th May 1837 on the affairs of Goomour recommends that in the event of the applicant maintaining his high Character he should be rewarded "in the mode most acceptable to him whether by a pension or the grant of some land" and that the "rules made for ordinary times and duties" should be applied to Cases like his" and the Government in para 12 of their Extraordinary Minutes Consultation dated the 21st November 1837, "promise to take his service into Consideration in rewarding him for his public labours when he retires from service provided he maintains the high Character he established but subsequently he was twice dismissed once during the Management of Mr. Bannerman and at another time by Mr. Goldingham."

4 The facts of the Case as noticed in the correspondence noted in the Margin are briefly

Letter from the Collector to the Commissioner A.B. of the 26th September 1854 No 154 - C. P. of the Commissioner

M.C. dated the 12th October 1854 No 691 - briefly these. In 1846 Mr. Bannerman not being satisfied with his Management and considering him unequal to the Charge of Goomour, removed him but on his giving over Charge a deficit of 36,000 Rs was found and C. Soria & Tanain Row was dismissed but no report of this was made; Mr. Shubrick then Principal Assistant Collector, looked into the matter but there was no regular enquiry held; the money was paid up and the excuse was that to keep up appearances entries of receipts were made when no money was forthcoming. C. Soria & Tanain Row was soon after employed by and made himself very useful to General Dyer and Mr. Bannerman in 1847 re-entrained him as Translator from which he rose to the Sahasildanship of Mohony and was then transferred to that of Ichapore.

5 In 1854 when entering into the Case of the then Head Sheristadar Mr. Prndergash brought this Case to the notice of the then Commissioner further information was called for from and on this Mr. Goldingham

dismissed

fine copy for

dismissed C. Sooria & Sarraim Row tho as
explained to him Mr Prendergast had
made no Charge nor had he any intention of
proceeding against a man who had been
pardoned and restored to Office. Subsequently
Mr Goldingham having received a petition
from C. Sooria & Sarraim Row in which was
enclosed a copy of a private note from
Mr Shubrick in which he stated that he did
not think C. Sooria & Sarraim Row had mis-
appropriated the money, restored him. This
unofficial paper, I had not seen when I
made my first report which was done rather
to show what had been going on in Goomsur
than as a complaint against C. Sooria &
Sarrairow and there is a Charge against the
Shop of Goomsur Talook now pending
before Mr Smith which leads me to believe
in the correctness of Mr Shubrick's opinion
tho it is clear that Chavoor Sooria & Sarrai-
Row was very negligent and trusted both the
keys of his Cash Chest to the Shop, since
that

that time he has as far as I know merited the
approbation of my predecessors and conducted
himself to my satisfaction in every case but
one - a Charge of Gang robbery brought by the joint
Proprietor of Barwah against the Cheguty
Rajah and his followers which formed the
subject of a judicial enquiry and tho nothing
was proved against the Sahasil dar, I did not
consider that he had cleared himself from
the imputation of undue partiality to the
Rajah and of hushing up the case. It was
this that prevented my sending in his appli-
cation for pension at an earlier date which
I propose should be granted him after
the Samabundy of his Talook is over and
the last Rich Rupees 8232-4-4 remitted
with from 16th March to 15th April next. -

6 As to the amount of pension to be
granted I am unable to support Mr Russell's
recommendation indeed but for that I could
not forward this application for by his
own showing C. Sooria & Sarrai Row was
guilty of sending in false accounts but
looking

time thought fit to send in such

looking to his length of service and the good
service he has done I hope the Government
will allow him to retire on the usual pension.

Report of the Civil Auditor.

The Civil Auditor has the honor to report, that the authorized official allowance drawn by Chavoor Sooria Narain Row, Fabricator of Achapore Talook on the Establishment of the Collector of Gangam, for the last five years of his service, is Rupees 100-00 per Annum; and that his service under the Government embraces a period of 26 years 2 Months and 8 days; viz^t from 1st October 1829 to 25th August 1846, from 15th August 1847 to 20th January 1855 and from 24th June 1855 to 30th April 1857 up to which date returns from the Gangam district have been received, viz^t years, 1 Month and 23 days up to 15th April next on which date Mr. Kner, in para 5 of his letter, desires to retain his services.

From 26th August to 14th December 1856, Sooria Narain Row is stated to have been out of employ in consequence of his having removed from his Office by Mr. Barrerman on the ground apparently of incompetency. From 15th

December,

December 1856 to 31st July 1847; he was employed under the Agent in the Hill Tracts of Orissa, but as the accounts of the Agency after audit here are transmitted through the Accountant General to the Government of India, this services cannot be verified: but as it has been certified to have been rendered, it is eligible to count for pension. From 24th January to 23rd June 1855, he appears to have been under suspension from Office owing to an erroneous impression to his prejudice on the part of Mr. Goldingham, the late Commissioner in the Northern Circars; and hence it is questionable whether this period of 5 months ought not to count for pension. Of the service rendered previously to October 1829, no trace can be found on the records of the Audit Office.

3. Soorah Narrain rows service eligible to pension is 27 years 9 Months and 9 days, or inclusive of the 5 Months under which he was erroneously under suspension 28 years 2 Months, and 9 days.

It is observed that, so far back as
the 21st November 1887, the Govt, on
the recommendation of the Commissioner,
George Russell Esq., promised to take
into consideration the special services
of Charoon Sooria Narain Pror,
whenever that individual should become
an applicant for admission to the
Superannuation list. The Commis.

now suggested that the case should not
be measured by "rules made for ordi-
nary times & duties" but that some
distinctive reward should be suggested
him.

2. It would appear, however, that
the applicant has not altogether dis-
tained the high character he bore with
Mr Russell, & of which Govt at the
time thought fit to show their ap.

- nomination by the grant of
 a gold medal. He has on one
 or two occasions, recently, fallen
 under suspicion of remissness
 in the discharge of his public duties.
 Be this, however, as it may, the
 Govt are of opinion that there is
 nothing against him which should
 lead them to cancel the award
 of his excellent services under
 the Commission, rendered as
 they were, at a very critical
 period - to say nothing of those
 subsequently performed to the
 entire approbation of General
 Dyer in the same localities.

3. Resolved herefore in accordance
 with the Pension Rules & the calcu-
 -lation of the Civil Auditor to
 grant to Chavon Sooria Narain
Brow, the pension of Rs 50
 per mensem - & that a Certifi-
 -cate be issued, making the
 same payable from the date

of the receipt of his extract,
 by the Col. of Gangaw, or from
 the 16th proxo, & that the same
 not be received before the 16th
