Recd 16 March 1891

Honored Sir,

I sent an application to you last month to transfer my pension to Cuddapa for a time and to get my arrears paid in the same place as I was obliged to remain there for a time. I now learn that my request is not complied with; but I am given to understand that there will be no objection to transferring the pension to any place permanently.

What, therefore, beg of your Honor now is to enable me to draw my pension from Chingulpot, which is the place of my nativity, & here my friends & relatives reside. Besides this Chingulpot is more congenial to my health

and I have a prospect of procuring some
landed property there. Consequently, I think
of spending my time there and with that view
intend you to get my pension transferred to
Chingulput; and issue orders to that effect soon
as I am suffering from want of money
in consequence of my not having drawn the
pension since eight months nearly.

11th March 1858.
Ponnary, a village
of Rayar Talook of
Chingulput.

I beg to remain

humble serv^t.
