fering from Asthma and general decay of his
health, and I am of opinion that he is unfit
for any further service. He is not likely

Det. R. No 1267

201/14 2/20/89 8 84

It appears from the Magerahabitat that Mr. Dinder was without employ for 8 to 10 days or from 15th to 20 October 1837 not by any fault on his part but under the following circumstances. In 1837 Mr. Dinder proceeded to Regensburg on 3 months leave & returned 15 days before the expiration of it but instead of resuming his duty he absented himself of the remainder of the leave in going to Dultschamund. He was considered by Mr. Daurig the then Czar as an infringement of the terms of leave. The Mr. Dinder resumed his duty at the expiration of the full period of the leave. His name was under an erroneous & hasty impression struck out of the list for 8 days subsequently he was restored to his office and absolved from all fault.

The Age of the applicant has been ascertained by the Head Sherikadar of my Office -
