Commissioner of Police

Sir

I have the honor to acknowledge the receipt of your letter of the 20th Instant requesting me to afford you a detail of Mr. Judges Services when under my Orders.

In the absence of Official records, which have been handed over to the Revenue Board, and to the District Engineer of Chai-gloput I regret I am unable to verify the enclosed Memorandum but I believe it is quite accurate both as to Service and the Salaries drawn by Mr. Judges.

A bare perusal of this document however will convey but an inadequate idea of the Services rendered by him especially when Head Overseer on the great Western Road, where his energetic conduct was specially noticed by Government and which subsequently was, more to him gratifyingly

acknowledged, by the Right Honorable
Lord Elphinstone appointing him to a
Situation at Keilgherries, when ill health
from over exertion compelled him to resign
his Situation under me.

With such appreciation of his merits my testimony can have but little weight; but I may be permitted to add in the present instance that by a rare combination of tact, and judgement, and unremitting zeal and honesty in the discharge of his duty, he won the regard and respect of all with whom he was connected.

I have the honor to be
Sir

Your most Obedient Servant

Sir, Civil Pension Department

In obedience to part B of Extract
Number of Consultation of the 1st of March 1840
Judicial Department, I have the honor to
report, that, after obtaining thro' the Commission
of Police a Statement of Mr. Judge's services
previous to his admission to the local Police
Force, the correspondence connected with which is
enclosed, it was found impossible after a protracted
and minute research into the records to ascertain
Mr. Judge's service off and on from January 1835
to June 1845, a period of 8 1/2 years, of which
period for 7 1/2 years only he appears to have been
employed - with the exception of the period of a
year and 3 months when he was employed in
the Chonglopt jail from July to December 1840
and from May 1841 to February 1842.

There is forwarded

Assuming the period of Service given
in the memo annexed to Major Worcester's letter to
be correct, Mr. Judge's Service will amount in all,
exclusive

inclusive of his service in the Police Force to 17½ years. Should the Government be disposed to recognise the service which cannot be verified by the records of the Audit Office, to be admissible to reckon for a gratuity. Mr. Judge will in such case be eligible under the Gratuity Rules of 1831 to a gratuity of 11½ months salary which at Rspees 50 per mensem his salary at the date of his final relinquishment of service, amounts to Rspees 575, thus leaving a balance of Rs 275 to be now payable to him.

I have the honor to be,
Sir,

Your most obedient Servant.
