The humble Petetion of Hanahums
Mall-wife to the late Subbanseer
Parasooramah Moodelyar.

Humbly sheweth.

That your Petetioner most humbly begs to bring her deplorable Circumstances and Calamity to your honors kind notice with a Confidential hope to obtain redress that your honor was fully aware that your Petetioners husband Parasooramah Moodely has died accidentally by the falling of the Centre supporting the 9th Arch of the Vellore Palaur Bridge whilest striking the Centre which melancholy accident happened chiefly owing to the inefficiency of the Scaffolding and other Supports usally put up on Such Occasions, Although the wrunk of these Supports to the Centring was pointed out to the Engineer Lieut. B. Boyd he ordered the wedges to be Struck on the evening of the 31st Ultimo

Ultimo resulting in his own death and
that of my husband. And however it was
done so according to the will of providence
yet your Petitioner grieves for the loss of the
Subsistence procured by her husband to
Support his father, mother and your Petitioner
thereby. She sincerely entreats your honor
will of the kindness to Commiserate to
his unhappy Circumstances and to intimate to
the same to higher authority for the
purpose of being granted a pension in my
name to Maintain myself and distressed
family from Starvation if the Pension
be not granted I will be irretrievably
ruined Consequently your Petetioner
most Submissively Craves your urbanity
to accomplish her humble desire at
this Cretical Juncture.

And your Petetioner as in duty
bound shall ever pray.

PUBLIC WORKS DEPARTMENT.
Public.

No. 545.

Extract from the Minutes of Consultation under date the 26th March 1858.

Read the following Extract from the Proceedings of the Chief Engineer.

Communicates a letter from the Acting District Engineer, North Arcot, submitting an application for gratuities to the Widow of the Maistry killed and to others wounded on the occasion of the late accident at the Vellore Palaur Bridge, and recommends that the same be awarded to the parties mentioned, amounting in the aggregate to Rupees 149-6. (Here enter 8th February 1858, No. 7245.)

The Chief Engineer submits an application from the District Engineer of North Arcot, requesting authority to pay gratuities to the Widow of the Maistry killed by the falling of the centerings of the Palaur Bridge at Vellore, as well as to the hired laborers injured on the occasion.

2. The case of the Widow of the Maistry will be disposed of in the Public Department. The Maistry was a paid servant of Government of the class entitled to pension, and his Widow appears to have a claim to a similar allowance under Clause VI. of the Pension Rules. Para. 8 of the Rules prescribed by the Government of India under date 4th July 1856, supports this view.

Extract Minutes Consultation P. D. dated 28th August 1856, No. 1032.

3. The claims of the hired labourers do not fall under the first of the two sets of rules quoted by the District Engineer, and it is uncertain if it was the intention of the Honorable Court that gratuities should be given to Coolies who have received injuries which may not disable them for life. The Right Honorable the Governor in Council however considers that the spirit of the rule laid down by the Court permit of some compensation being made to those who may be deprived, although only temporarily, of the means of earning a livelihood, and under this view is pleased to sanction the gratuities recommended by the District Engineer.
