Secretary to the Board of Revenue,

Sir

I have the honor to submit
copy of a correspondence which has passed
between the Civil Auditor and myself as
noted in the margin, and to state that
Pallara Mahalatchumy the Pensioner therein
alluded to, to whom a life Pension was
granted in consequence of her husband
having been killed while working at the
Government Ammunition, was actually paid
up to the end of September 1855. It was
subsequently discovered that she had
been remarried to one Shooly Potatoes
on the 8th January 1854. The Civil Auditor
requires the sanction of Government for
the amount paid to her from 8th January
1854, the date of her remarriage, to the
end of September 1855. I therefore
request that the Board will be so
pleased to obtain the sanction of the
Government.

tually paid from the Treasury.

2 The Board will observe that
the pensioner's remaining single was not
a positive condition of the continuance
of the Pension, which is the reason the
circumstance of her remarriage was
not brought to notice when it occurred.
The party has lately become a widow
a second time, and the question arises
whether she is not again entitled to
the pension from the date of her
second husband's death.

2 P. Mahalatchumy's pension for October, November, and December 1856 was also sent to the Amuldar of Rajahmundry for payment to her but after the above mentioned occurrence was brought to light the allowance for those months was recalled and is now under the head of deposits in my accounts - It will be carried to the credit of Government as soon as I hear again from

No 5
To The Civil Auditor
Sir, Fort Saint George

In reply to your letter of the 9th Ultimo No 250, I have the honor to inform you that P. Mahalutchny was paid up to September 1855 only and not 1856 as was, I regret to find, stated in my letter No 55 dated 21st December last. The amount remitted to the Salook Treasury to be paid to her for October, November & December 1855 was recalled and credited to "Deposit" in my Journal for June 1856, from which head it has been transferred to the credit of "Pensions and charitable allowances of a General nature" in the Journal for the month of January last.

2 I beg to state that upon further enquiry it appears that Mahalutchny was remarried to one Dhooly Paladoo on the 8th January 1854 and that this latter individual also died four months ago - It was not a distinct condition that the Pension was to cease on remarriage and it was therefore sometime before the

the fact of her remarriage became known-

zes the Civil Auditor to pass the disbursement made to
Mahalutchmy from 8th January 1854, the date of her

Extract from the Proceedings of the Board of Revenue, dated 30th April 1858, No. 1560.
Read letter from the Collector of Rajahmundry, dated
17th March 1858.
In Con. 30th April 1858. (Here enter No. 23.)

Resolved that the foregoing letter and its enclosure be submitted for the orders of the Right Honorable the Governor in Council.

2. In Extract Minutes Consultation dated 13th November 1849, No. 1087, R. D. a Pension of Rupees 14 per mensem was granted to Mahalutchmy in consequence of her husband having been killed while working at the Godavery Annicut. The Collector now reports that the Civil Auditor objects to pass the amount, viz., Rupees 36-5-8 paid to her on that account from the 8th January 1854, the date of her re-marriage to the end of September 1855, the date on which her allowance was stopped; and explains that the circumstance of her re-marriage was not reported at the time, as the pensioner's remaining single was not a positive condition of the continuance of the pension. Mahalutchmy is again a widow, her husband having deceased some months back.

3. Under these circumstances, the Board of Revenue recommended that the Civil Auditor be authorized to pass the pension of Mahalutchmy for the period in question, and that sanction be granted for the renewal of her allowance from the date of her second husband's death.
