Sir,

Now

I have the honor to transmit an application in the prescribed form accompanied by the documents noted in the margin⁺ for a Superannuation Pension from Chetty Ann. Simloo late Guardian of the Thirukennedy Linnidary in this District.

2. The proposed amount of pension in the Register has been calculated agreeably to the revised rules of the 15th May 1851 at Rupees 20-0-0 being one half of his pay on an average of five years previous to the date of his removal from Office and the pension is to take effect from that date.

3

The Applicant's services are continuous with

+ Application of W. Knorr for pension
 1 Register of an application
 1 List of Service
 1 Medical Certificate

with the exception of a single instance when he
was without employ for 29 days owing to the Office
he was in having been abolished. His services
extend over more than 40 years as shown in
the Register. He was suspended by me from
Office owing to the discrepancy between the list
and the actual value of the Jewels belonging
to a Pagoda in the palace of the Zemindar of
which he to a great degree cleared himself of
all but negligence in not seeing the jewels when
he took charge. A charge of receiving Rupees 100
from the Cheguthy Rajah to smooth the way
for his marriage and obtain for him the
privilege of using certain insignia, was also
brought and of this I convicted him but
the Court of Wards upset this and ruled that
he might be employed again. I am very glad
to be thus at liberty to recommend this old
servant

13
servant to the favourable notice of Government.
I would not have made him Guardian had
I not known him to be a respectable man
and though I could not pass over what I con-
sidered an illegal act I did not look on it
as I should had the money been received
to induce the performance of any wrong or to
pervert the course of justice - and as the
man is now old and anxious to take a
pension I beg leave to support his appli-
cation to grant him his pension from date
of suspension. I have not sent him back to
Kenedy as the Zemindar has taken a dislike to
him and he has not energy enough now to make
head against the intrigues which his return would
I fear cause.

As up to the present time no Medical
man has been sent to this Station to fill Mr
Hanson's place I have only a Second Dresser's
Certificate to send up with this there being
no

no Assistant Surgeon nearer than Ruse
- selcondah -

N. 634. General Department 17

Report of the Civil Auditor

The Civil Auditor has the honor to report that the authorized official allowance drawn by Chutty Nursimbo, late Guardian of the Purlah Kamidy Zemindar in the Ganjam Collectorate for the last five years of his service, is Rupees 41-13-4 per Mensem; and that his service under the Government embraces a period of 22 years 4 months and 15 days: viz. from 1st September 1833 to 15th January 1856 or 23 years 4 months and 16 days inclusive of the service from 16th January 1856 to 5th January 1857, the date of his removal from Office by Mr. Know, which the not supported by the Books of the Audit Office, is eligible for pension Mr. Know has explained, in para 3 of his letter, the cause of the present application being submitted 12 months after Nursimbo was put out of his office; and has also observed that the sentence of removal from Office passed by him had not been confirmed by the Court of Wards.

The service rendered previously to September 1833 cannot be traced in the records of the Audit Office, but as it appears to be of a Military nature, the Civil Auditor suggests that a reference may be made to the Military Auditor General on the Subject.

Under the orders of Government given in para 142 of Chap III of the Civil Auditor's Manual the Medical Certificate is required to be given by a European Medical Officer in the service of Government "But under the circumstances mentioned by Mr. Know, the 2nd Deputy's Certificate may be admitted."

Memorandum.

The Deputy Military Auditor General has the honor to return the papers, noted in the margin, referred for report by Order of Government under date the 24th March last, and to observe that this Department does not possess the means of verifying the services of Chutty Nirsimloo, late Garrison Writer of Ashta; it appearing that this individual has never been attached to any public Establishment in the Military Department, but employed by successive Station Staff Officers, and paid by them out of their Contract Allowance.

It may also be observed that individuals of this description are not by regulation, entitled to Pension.
