Sobba Rane obtained leave of absence for 3 months from the 22nd June 1838, on sick certificate and private affairs. On the expiration of this period he again applied for an extension of two months leave not having then fully recovered his health. But the then Collector Mr. H. Babington granted him only one month's leave in extension directing him at the same time to resign his office at the termination of this period, should he even then find himself not in a condition to resume his duties. But as Sobba Rane did not return to his office after the termination of his second leave the Collector dismissed him. The break thus caused embraced a period of 2 yrs 4 mos & 24 days viz: from 22nd October 1838 to 14th March 1841.

Report of the Acting Civil Auditor

The Acting Civil Auditor has the honor to report, that the authorized official allowance drawn by Sooba Row, late Tahsildar of Annamallam Talook, in the Tanjore Collectorate, for the last five years of his service, is Rs. 1000-0-0 per annum, and that his service under the Govt. embraces a period of 27 years, 8 months and 1 day, viz^t from 15th December 1823 to 21st October 1850, and from 5th March to 3rd April 1841, and from 5th November 1844 to 31st July 1857, but that the period available for pension is only 11 years and 2 months, the service previously rendered being inadmissible as a longer break than one year occurs between the service rendered up to 3rd April 1841 and that commencing with 5th November 1844. He is therefore only eligible to a gratuity under the rules. His salary at the date of his retirement was Rs. 1000-0-0.

This is to certify that, I have carefully examined Soobah Row Shasildar of Kunnellum and am of opinion that, from bodily infirmity he is permanently disqualified for further active service, and that, there is no likelihood of his deriving any benefit either from Medical treatment or relaxation from duty for a period of twelve months.

I am further of opinion that, his present state of infirmity is the result of repeated attacks of illness contracted during the course of service and has not been brought on by intemperance or any indiscretion of his own.

The A.S. Auditor reports that
 the services of his applicant,
Looka Row, late Tahsildar of
Nannulthum Talook in the
 District of Tanjore do not entitle
 him to superannuation Pen-
 sion, on acct of the breaks wh.
 have occurred herein.

2. To determine his point, it is
 necessary to review the causes wh.
 led to Looka Rows being placed
 out of employment. In con-
 sidering his enquiry the Govt must
 remark ~~that they have recd little or no~~
 that they have recd little or no
 assistance from the officers
 submitting the application. It
 is only from a minute & perusal.

ged investigation into the voluminous papers which accompany Mr Phillips' letters that the facts in each instance have been elicited.

3. It was appeared that Sooka Row was three times known out of employment, remaining on each occasion without office for more than one year.

A. In 1838. Here he was seen to have been dismissed by Mr H. Barington, because not in a position to resume his duties at the expiration of three months sick leave.

This certainly was a most harsh proceeding, particularly in the

case of an officer possessing the high testimonials earned

by Sooka Row; and had he in-

terests of native servants of rank been as strictly watched over then as now, the order

was certainly have been disallowed on appeal. The Govt are of opinion that the break thus caused in the applicant's service is no bar to his claim to pension.

B and C. Much less do are the two succeeding breaks, in the years 1841 and 1843. In both these cases, Sooka Row lost office because the restoration of the Tahildar, at whose dismissal he had been promoted to the vacancy, was directed by orders from the Bt of Revenue.

4. It is resolved, herefore, to admit the applicant to the benefit of the Superannuation Rules.

A certificate will be issued to him for a Pension of 33 (thirty three) Rupees a month. His salary for the last five years is certified by the C. Auditor to have averaged 100 Rs per mensem, and his service is reckoned by the same authority to amount to 27 years 8 months & 4 days.

5. A petition from Sooka Row has been recd. by the Collr & another direct, praying for the grant of a pension for the rest of his life. These petitions will be endorsed as "inadmissible". He further states that he is still competent to serve, but the Certificate of the Medical Officer settles that point.
