To. The Acting Collector of
Nellore

Sir,

The leave of absence you were pleased to grant me last
will expire on the 3^d proximo. I have now recovered from the
attack of fever I contracted in the discharge of my duty at
Todaroo and am willing to return to resume my situation,
but as I understood that your honor has recommended the
abolition of Toommaltal poor Talook, in common with others,
my return will perhaps be only embarrassing to your honor
and be productive of no advantage to me but on the contrary
subject me to the trouble and expense of a long journey. Having
besides attained the age of 63 and as I find myself in
declining health I am desirous of spending the rest of my
days among my children, in my native Country, if it please
your honor to recommend me for a superannuation pension.
From the enclosed list of my services your honor will per-
ceive that the period of my service extends to upwards of
30 years, but if in verifying it there should chance to
be any reduction as I do not possess Sanads of appoint-
ment for the early part of my career, I beg you will
with your wonted kindness & consideration of your Subordi-
nates recommend me to half pension in consideration of
the Talook having to be abolished & the consequent necessity
of dispensing with me.

I shall be prepared on being favored

with orders to that effect to appear before the Jillah
Surgeon of Combaconum, and obtain & submit to you the
necessary medical Certificate...

I beg, to remain

Most Honored Sir.

Your honors most obedient &
very humble servant.

This is to certify that I have Carefully
Examined bombacorum Sookbarow late
Tahsildar of Tonnmutulpoor in the District
of Nellore, and am of opinion that, from old
age and badly infirmity he is permanently
disqualified for further active service, and
that, there is no likelihood of his deriving the
least benefit either from Medical treat-
ment or relaxation from duty for a period
of twelve months.

I am further of opinion that, his
present state of infirmity is from natural
causes and that, it has not been brought
on by intemperance or any indiscretion
of his own.

Chief Secretary to Government

Sir,

1. With reference to the Rules for Superannuation pension of 15th May 1851, I have the honor to submit for the orders of the Right Honourable the Governor in Council Copy of an application from Combaconum Soobbarow late Tahasildar of Sommutalpoor Talook in this District for a Superannuation pension together with a Register of his Services and the Certificate of the Zillah Surgeon of Combaconum, from which it will be seen that from old age and bodily infirmity he is permanently disqualified for further active Service.

2. Combaconum Soobbarow is passed 62 years of age and has served Government for 25 years & 19 days as per Memorandum of his Services enclosed, which is borne out by the records of my office, & those of the other Collectories in which he served. He wishes to reside at Tanjore, and if pensioned to draw his pension from the Treasury of that Zillah.

3. The pay of his office is Rupees 70⁰⁰ p^{er} mensem and the average of his Salary for the last five years is Rupees 65-10-8.

4. Combaconum Soobbarow is not entitled to a Superannuation pension under the order of Government dated 27th November 1855, but I beg to recommend his case to the favorable Consideration of Government, on the grounds of his long, though broken, Service, and his not having been dismissed for Corruption but rather, as it

The said Soobbarow is recommended to the favorable consideration of Government on the grounds of his long, though broken, Service, and his not having been dismissed for Corruption but rather, as it

appears from want of Capacity for the efficient discharge of his duties.

5. Leombaconum Soobbarow left this on leave of absence in April 1857, and has not since returned. A somewhat protracted Correspondence has been carried on between this office and the different officers alluded to in the Statement of his Services, extending up to last month.

6 The Situation he last held, Tahasildar of Toomultulpoor in this District, has not yet been permanently filled up, and has been recommended to be abolished.

The C. Auditor reports that the
present applicant for Pension -
Comptroller General - has for-
feited his claim to that privilege
by reason of the numerous breaks in
his service, but that he is eligible
for a gratuity.

2. The Govt in C apprehends that
his is not a case even for that mi-
nor privilege. The Collr has pleaded
for the ex Takildan on the ground
that he was not dismissed from his
various situations "for corruption, but
"taken for want of capacity."

His description, the Govt remarks, in
1836, was sanctioned by the Bd of Rev.
for the taken reason in 1836, but that
in 1844 was "for carelessness in exami-
ning the Cundoomoduk," since which
he was twice degraded to subordinate
appointments, on both occasions for
"neglect of duty."

3. Under these circumstances the Govt
feels unable to recommend his case to
the notice of the Govt of India.
