Not to be folded or roughly handled

I hereby certify that I have
examined Narain and Sherik Ladar
of Sundapoor Talook District of Gujrat
that from Advanced Years, excessive
stress and deficiency of mental
activity, he is quite unfitted for performing
his duties. From age he has lost his
teeth, so that his speech is greatly
impaired whilst from grossness of food
(apparently on the increase) he walks
with difficulty.

The Acting Collector who cannot judge
of his mental capacity for himself,
states that he is wholly unfit
in this respect. There are no
data for concluding that his
present incapacity for further
duty has been caused by in-
temperance or irregular living.

I hereby Certify that I have examined
Sobrow Sherastadar of the Custom House of
Cundapor. He is evidently old and infirm
being bent with age and having lost most of
his teeth. I do not cherish any disease
but am of opinion that his advanced years
and general infirmity incapacitate him
from the active duties of his Office.
His incapacity is I believe the result
of old age and has not been brought
about, as far as I know, by intemperance
or irregular living.
