To Colonel P. Hammond
Chief Comd. Ordnance
and Superintendent of Stationing
Respected Sir

I beg respectfully to bring to your notice that I have been for some time suffering from a nervous debility which has now become unsupportable by reason of my present advanced age, My sight also having become so feeble that I can scarcely see even with the aid of Glasses, and from the nature of my duties, I am obliged constantly to strain my sight to a very great degree, to enable me now to do my work, I beg respectfully, therefore, to submit herewith a Medical Certificate from Dr J. F. Ellis Surgeon 2^d District to which Division I belong, and humbly entreat you will be graciously pleased to recommend me to Government for Pension so benevolently provided for by the Pension Regulation.

I beg also to state that I have served in the Stationing Office for a period of 26 years and 4 months and I have always endeavoured to discharge the duties entrusted to me with zeal and great care, and to the best of my ability, and I trust that I have rendered you also satisfaction.

For this act. of benevolence myself
and

From

The Inspector General

To

The Chief Secretary
to Government.

Sir,

I have the honor to state for the
information of Government that the Sur-
intendent of Stationery has submitted
an application for Superannuation pension
on behalf of C. Apparee Pillay, the head
Accountant of the Stationery Office &c.
Establishment, together with the papers

N^o 1 Copy of Application for Pen-
sion dated 7th Nov. 1857.

N^o 2 Medical Certificate from
the Surgeon 3rd District
dated 7th Nov. 1857.

N^o 3 Certificate of the Agent
Apparee Pillay dated
17th Nov. 1857.

N^o 4 Register of an Application
for a Superannuation Pen-
sion dated 17th Nov. 1857.

specified in the margin and
herewith forwarded.

2. C. Apparee Pillay's period
of Service is 26 years and 4
months and from the Medical
Certificate inclosed it will be
seen that he has become inca-
pable to perform further Service.

And Apparee Pillay's continuance in Office
would

would only affect the correct and efficient
performance of the duties entrusted to him.

3. The Superintendent of Stationing
bears the most favorable testimony to Ap-
pave Pillay's Character and the Discharge
of his duties hitherto and considers him
deserving of the pension for which he has
been recommended.

4. Appave Pillay has been in the
receipt of a Salary of Rupees (30:15:3)
thirty annas fifteen and pie three per anna
and the proposed amount of pension
agreed to the Rules of Government is Rs
(10:5:1) ten annas five and pie one per
annum, to the grant of which, they submit
the sanction of Government may be accorded.
but I think it my duty to submit to Gov-
ernment that the rate of salary granted
to the principal Accountant of the Station-
ing Dept involving many Accounts and
troublesome to calculate, is far below the
proper amount which I think the interests
of Government require to be paid to this servant.

I have not hesitated to write
 to our opponents, and to those
 whom I regard as the highest
 of the hierarchy in this country
 (C. A. Johnson, Pillsbury and others)
 who are so hostile to the
 doctrine of the grand principle
 of justice - "Human rights."
 That the clergy of the Episcopate
 should do this bordered on crime.
 What course of action should I
 take in such a case?
