Fort Saint George, Financial Consultation, 11th May 1858.

No. 6. From F. LUSHINGTON, Esq., Civil Auditor; to T. PYCROFT, Esq., Chief Secretary to Government, dated 26th April 1858, No. 716.

General Department. SIR,

Referring to my letter to your address of the 22nd Instant, I have the honor to solicit the sanction of Government to the modifications in my Office Establishment exhibited in the annexed List. These modifications, I beg to observe, which involve no additional expense to the State, have been rendered indispensably necessary to enable me to surrender to the Accountant General the entire sum sanctioned by the Government of India, under date the 5th December 1856, No. 5343, on account of the Statement Department of my Office to secure the requisite fund for a permanent printing Establishment, the present printing Establishment being hitherto been paid out of the saving exhibited in the Pay Abstract on account of fines, stoppage for absence, &c., and lastly to make adequate provision for the very large amount of additional labor and responsibility thrown upon the Office in enforcing the provision of the Uncovenanted Service Rules throughout the whole of the Establishment in the Presidency as enjoined by the Government of India in its order, dated 9th November 1857, No. 4796, and that the Right Honorable the Governor in Council may form a just idea of the labor which has been imposed upon the Office by the G. O. above referred to, I think it right to state that the Civil Auditor in Calcutta, in reply to a communication addressed by me to him on the subject, informed me that he had deemed it necessary to apply for the services of 14 additional Clerks to enable him to watch the operation of the Uncovenanted Service Rules.

On receiving the sanction of Government now solicited I shall be prepared to submit, for favorable consideration, the case of those copyists who have been displaced by the Printing Establishment, in view to their receiving either pension or gratuity as the case may be.

No. 7. ORDER THEREON, No. 305; dated 28th April 1858.

In consequence of the transfer from the Audit to the Account Office of the Establishment temporarily sanctioned for the preparation of certain Financial Statements, which is to take effect from the 1st of May next, the Civil Auditor proposes various modifications in his Office Establishment, as exhibited in the List submitted with his letter, which he states have been rendered necessary by the above measure.

2. As these alterations involve no additional expense to the State, the Right Honorable the Governor in Council is pleased to sanction them, relying on the Civil Auditor that they will be carried out with as little personal hardship as possible to present incumbents.

(Signed) T. PYCROFT,
Chief Secretary.

SIR,

Referring to the Extract from the Minutes of Consultation, No. 305, dated 28th Ultimo, I have the honor to request that the accompanying revised Statement of my Establishment may be substituted for that submitted with my previous letter of the 26th Ultimo, No. 716, a vacancy having since occurred in my Establishment, and which will enable me to provide for all the old servants with the exception of three on whose behalf I have this day submitted, in the usual form, an application for pension. Of the above three individuals, two, I beg to observe, are entitled to pension from the length of their service, and all three are in my opinion disqualified for further service by reason of their age.
