I hereby certify that I have examined Abdool Nubbee the Sailor and am of opinion that from age and incipient disease of the heart he is permanently unfitted for the duties of his situation — not the result of his own imprudence.

The humble application for resignation presented by Abdool Nabbee Jailor of the Chittoor Jail

I entered Government service on the 17th March 182 and from that date till the end of may and from 1st June till the 24th March 1821 I was employed as a police peon in the talooks of Siddotum and Chennoor in the zillah of Cuddapah commencing from the last mentioned date till the 30th November 1828 I was a Court daloyet and a Jail duffadar in the same zillah. Subsequent to this I was again a Jail duffadar for a period of about four months in the zillah of Cuddalore in the days of Mr. J. E. Ang I was also a Jail Havildar for about five months in the zillah of Combaconum in the days of Mr. Lascelles. From the 15th March 1833 to this date embracing a period of twenty five years four months and twelve days I am a Jailor in this Jail. Upon the whole I have served the government for about thirty five years, and having now arrived at sixty years of age my physical powers are so much weakened that I cannot continue in the service any longer. Youth, strong body, powerful sight, self possession and ability to write and remain in the Jail building being the necessary qualities in a Jailor every one of these qualities are declining in me. I am physically weak and my hand shakes while writing. There having been a constant pull upon my lungs owing to my being necessitated to speak out when the convicts are

are sent out every morning for work, when I superintend the amount of work done by them and shut them up every evening in the cells of the Jail. I have become broken winded. I am now unfit to render such arduous duty hereafter and am therefore willing to retire. I have conducted myself very properly without the slightest fault during the long time I have served the Government. I have discharged the responsible duties of a Jailor for a period of twenty five years both night and day. Your honor is well aware how meritoriously and properly I conducted my duties ever since you came here including a period of six years. Your honors predecessors approved my services and granted me eight testimonials copies of which are herewith forwarded. I humbly pray that on a perusal of them you will admit this urzee as my application for resignation and recommend me, who am a poor man burthened with a large family possessing no other means of livelihood, for a pension of ten (10) rupees per mensem being half the amount of my present pay.

After usual compliments

Sir

1. I have the honor to submit for the consideration of the Right Honorable the Governor in Council an application for a Superannuation pension presented by Abdool Nubbee the Jailor of the Jail at this Station & accompanied by the prescribed Medical certificate of his unfitness for further service.

2. I beg to state that I concur in the opinion expressed in the certificate as to the unfitness of the applicant for further service in consequence of his old age which renders him unequal to perform the duties required of him efficiently.

3. The following Statement exhibits the different employments held by the applicant, but his employment as Jailor can only be proved by the records of this Court; the remainder of his service as a police peon and Duffadar and Jail Duffadar is supported by the certificates of the Collector and Session Judge of Cuddapah.

Offices	From what to what date	Period of Service			Salary p. Mensem		
		Y.	M.	D.	Rs.	A.	P.
Police peon in the Zillah of Cuddapah	From 17th March 1820 to 24th March 1821	1.	"	8	3.	8.	"
Daloyet and Jail Duffadar in the same Zillah	From 24th March 1821 to 30th November 1828	7.	8.	7.	7.	"	"
Jailor at Chittoor Jail	From 16th March 1833 to 26th July 1858	25.	4	11.	20.	"	"
	Total period of Service	34.	"	26.			

4 It will thus be seen that Abdool Nubbee has been actually employed in the public service for the period of 34 years and 27 days and as he has produced several testimonials of good conduct and of the zealous discharge of his duties from different officers under whom he has served and as he has shown much zeal in the discharge of his duties during the period I have been in charge of the Jail and on one occasion his life was in great danger owing to his exertions in repressing a revolt amongst the convicts in the Jail. I beg to recommend that he should be granted a pension of Rupees ten per mensem being the half of his average monthly salary (20 Rupees) during the last five years commencing from the 15th September 1858 on which day he will cease to perform his duties if an efficient Jailor can be procured by that time.

5 It will be observed from the statement of the applicants services that he was out of employ for a period of four years three months and fifteen days vizt. from 30th November 1828 to 15 March 1833; the cause of the applicant being out of employment in the public service for so long a time is not known from the public records, but the applicant states that it was owing to a reduction having been made in the establishment of the Jail at Cuddapah.
