The Chief Secretary to Government
Public Department
Fort Saint George

Sir,

Under the impression that by Extract Minutes of Consultation Public Department No 182 of the 16th June 1858, it is allowable to me to submit applications for superannuation Pensions on behalf of the clerks in the Army Clothing Department, who from old age and infirmities are incapable of rendering further efficient service. I have the honor to solicit that Government will be pleased to take into favorable consideration the case of Manuel D'Ramos who has already served upwards of 37 years, and of Mootoosawmy Pillay whose service extends over a period of nearly 31 years. These individuals are two out of the three, represented in my letter No 102 of the 4th March 1858, as having served the time prescribed to entitle them to a pension. The other clerk, whose service had then been completed, having

since died.

2 In submitting the accompanying Registers of application for a superannuation Pension to the two parties above named, I would respectfully observe that they have borne a good character in the Office, and have been faithful and deserving servants of the State. They are now quite worn out and incapable of further service, and considering them as well deserving of the boon which the beneficence of Government bestows on public servants similarly circumstanced, I beg to commend their case to favorable consideration, and to submit that if a superannuation pension, in conformity with the length of their service, be conceded to them, it would indeed involve a very trifling expenditure to the State, and whilst bestowing on aged & deserving servants a provision, slender though it be, for their declining days, the efficiency of the Department will be greatly increased by the employment in their room, of young & intelligent men better fitted for the duties which this Office, constituted as it now is urgently demands.

3 In conclusion, I beg to observe with reference to para 5 of my letter No 192 of the 4th March 1858, that it will be many years yet before another application for pension can be submitted on behalf of any of the servants of this Office, as they have a long period yet to serve before they can be entitled to pension.

I have the honor to be,

He was a Clerk in the "Clothing

No 229 (printed orders put up)
Govt. pensioned two clerks of
that office, which for the last
2 or 3 years or since the abolition
of the old system of Tailor Colonels,
has been a Govt. office – out of
the funds in deposit as "Un-

"Half Mounting" – When
this was done, Petr., who had
retired from the office nine years ago &, before
it became a Govt. office,
prayed that he too might be
pensioned from that source;
but his prayer was rejected
with the remark that "he had
"no claim under any rule, &
"he has several sons capable of

It seems he is the only man
alive who served in the old
office – see Captn. Hope's letter
