Sir,

Para 1. I have the honor to request you will lay before the Right Honorable the Governor in Council the accompanying Register of an application for a Superannuation Pension for George Mac Intosh Head Accountant in the Collector's Office, as prescribed by the 11th of the Pension Rules.

2. Mac Intosh has been upwards of 31 years in the service but lately his memory has at times quite failed him so much so that I am of opinion he is no longer fitted to hold the Post he at present fills or any other of responsibility or trust, and he is himself so conscious of his impaired mental faculties that when called upon by me he at once expressed his readiness to retire from the service which I propose he should do from the 1st January 1859.

3. The following are the

situations he has held all of which have been
in this District.

	Period of Service for each appointment		
	Salary	Years	Mths	Days
Hutzaree in the Civil armed Establishment from 19 June to 31st December 1827	20	"	6	13
English Writer from 1st January 1828 to 10 March 1831	21	3	2	10
Record Keeper from 11 March to 31st October 1833	40	2	7	21
Deputy Accountant and Record Keeper from 1st Novr 1833 to 21st October 1839	50	5	11	21
Head Accountant from 22nd October 1839 to 31st December 1858	100	19	2	10
		31.	6.	15.

Physically Mac Intosh is
still capable of duty, but his memory is
so defective, that I could no longer enter-
tain him in my Office except in a very subor-
dinate situation, and it would be hardly fair
to degrade so old a servant for an infirmi-
ty brought about by no fault of his own.

I mention this in explanation of
my not submitting the usual Certificate pro-
cured under the Rules but which I pre-
sume in such cases is rather a matter of
form than actually necessary. The Zillah
Surgeon knows nothing of Mac Intosh and
he can only therefore on Examination pronounce
on his physical condition which is in every
respect unimpaired beyond what age may

have effected, while of his mental capa-
city and weakness I alone am compe-
tent to judge, and so bad is this that if
Government were to refuse the Pension
now applied for, it would be incumbent
on me for the reasons already given to
remove Mac Intosh, or as I said before
to degrade him to an inferior situation
in my Office. I therefore trust the
Right Honorable the Governor in
Council will raise no objections to granting
the Pension solicited.

I have the honor to be
