Extract from the Proceedings of the Sessions Court
of Hilltop under date the 10th December
1855.

Read again Report A in a
Criminal Case No. 112 of 1855 submit-
ted by the Subordinate Judge on the
31st October 1855 in which the Prisoners
were sent up to the Subcriminal Court
by the Head of Police of Seremattor on
a charge of Robbery by open violence and
committed for trial before the Sessions
Court.

Read also Record of the Case
received from the Sub Judge with the
Calendar No. 37 of 1855.

1. The Sessions Judge observed
that the Prisoners in this Case were
apprehended on the 13th September and
the searching of their hands fully
completed on the 14th. They were not
however produced before the Head of Police
until the 7th October following. In
his explanation of the delay the Head
of Police reports that the search of the
hands

houses of the Prisoners and other parties occupied till the 19th September on which day it was completed, and that the subsequent delay in the production of the Prisoners on the part of the Peons who apprehended them has not been satisfactorily accounted for.

2 As however it appears that the Prisoners were seized at a Village only one mile distant from the Lushah station, it seems clear that the Head of Police must have been aware of their apprehension and that it was in his power, as it was his duty, to have caused them to be brought before him without delay and he cannot be allowed thus to shift the blame of the irregularity upon the Peons alone.

3- The Magistrate is therefore requested to call upon the Head of Police for a full explanation of the causes of the delay and take such notice of the conduct of the parties who are responsible for its having occurred, as may prevent

the

15^x
the recurrence of similar irregularities in future.

Ordered that Extract from these Proceedings be sent to the Magistrate of North District for his information and guidance.

From P. M. Pinning Esq^{re},

North Arcot
To C. Whittingham Esq^{re}
Magistrate of North Arcot.
Sir,

I In reply to your letter No. 440
dated 16th Ultimo, enclosing copy of an
Extract from the Proceedings of the
Session Court of Chittoor dated 10th Idem,
I have the honor to forward copy of an
arjee received from the Head of Police
of Sivatoor Talook, in which he alleges
that although the examination of the
Houses of the Prisoners, lately committed
to the Criminal Court, was completed
on the 14th September last, yet the exa-
mination of the Houses of other Prisoners
concerned in it, (who were not committed
to

to Court for want of proof) was not completed until the 18th of the same month, as was duly notified in his Report sent to the Court; and he further states that during the time, above referred to, he was at Halapundub on Jumma-bundy duty (10 miles distance from Srivatoor) from whence he sent repeated orders to the Peons who were entrusted with the warrant in the Case, with directions to bring the Prisoners without any delay, but these Peons without doing so sent replies that they were seeking for information as to the remainder of the stolen property, which they utterly failed to gain, and they at last appeared with the Prisoners before him on the 7th October last.

2. This explanation is very far from satisfactory. The Head of Police is responsible for the conduct of his

19
his inferior officers, and from the above statement it might be supposed that he possesses little, if any, controul over them. I request to be obliged to state that I have of late had frequent occasion to find fault with this officer for serious neglect of duty, similar to the above, and I find that reproof and remonstrance have but little effect on him. When he chooses to work, Gopaul Achary, is an excellent public officer; I may assert that we have no better in the District; but being now an elderly man, having served about 35 years, he has become negligent and careless. I have privately urged him to apply for his Pension and retire from public duties.

3. Gopaul Achary Head of Police of Srivatoor is fined Rs. 5.

before him is most unsatisfactory as such a long time could not be required to procure the attendance of the necessary witnesses if due diligence had been used by him and the subsequent reference of the case to the Local Magistrate was quite uncalled for as he is fully authorized by the Regulations to use his own discretion in matters of this nature.

The Magistrate is therefore requested to take such strict notice of this delay as may prevent any similar instances for the future on the part of this Officer.

Explanation of delay in Criminal case
No 5 of 1855

The Head of Police of Simsburi reports that the 1st and 2^d prisoners were apprehended on the 29th November last and the 3^d on the 2^d December last at the Village of Amoor 8 miles distant from the Station & produced before him the 1st and 2^d on the 30th November and the 3^d on the evening of the 3^d December that some of the witnesses in the case delayed in making their appearance before him, and that suspecting the veracity of the statements of the witnesses he made a reference on the

on the 28th (December) to the Saint Magistrate
for his guidance and received his
reply on the 30th directing him to
commit the case to the Court on
which he sent for the Prosecutor
and witnesses from their villages
and after taking copies of papers
he closed the examination on the
3rd January 1856 and forwarded the
case to the Subordinate Court at
7 o'clock A.M. the same date.

Delay of 34 days with regard

The delay of 25 days which

of the Head of Police as unsatisfactory,
the more so as the principal cause of delay
is stated to be the nonattendance of the
15th witness Chokpa Mooddebar who,
on enquiry, I have ascertained is a Village
Moujar and, as such, under the imme-
diate orders of the Head of Police.

3. I most fully concur in
Mr. Binnings' opinion expressed con-
cerning the Head of Police of Erivatoor
Salook in Para. 2 of his letter to
your address of the 7th January last.

4. I have again fined him fine
15/ Rupees for the delay in this case,
the alleged causes for which can only
be ascribed to culpable apathy in
the exercise of his Police duties and
of proper control over persons under
his actual authority.

5. Within the last six months
this officer has now been fined for neg-
lect of Revenue duties twice, for neglect
of

of Judicial duties three times and besides
the case on which I am now reporting -
there are two or three others of neglect
pending against him and which will
probably involve further punishment.

6. Gopaul Acharyer being now
fully entitled to pension should in
my opinion be urged to take it, as his
continued fixing is at variance with
the orders of the Board of Revenue
(vide Board's Proceedings 12th August

4. The state of the administration of the Tirunthoor Taluk I have had several times to bring to your notice and can say nothing more than that I despair of any improvement until Gopaul Anchari is finally removed.

5. The Sub Collector begs to assure the Collector that he has passed no pains to expedite the preparations of the Summabundy Accounts as the records of his office will prove and that he will do his utmost to bring the Summabundy to a speedy close but he trusts the Collector will support him in getting rid of subordinates who are quite unequal to their position or wilfully neglect their every duty like Gopaul Anchari.

2. On the 19th instant in a Taluk N^o 107 I desired the Tirunthoor Tahsildar to send up to the Hoogoor for inspection a Roomki on that Taluk Establishment named Narain-sawmy Moodeliar.

3. In his reply of the 22nd Sept N^o 54 he has the impudence to tell me that this individual obtained a month's sick leave from him last November (seven months ago) since which time he has never returned to his duty that he does not know where he is and also admits that he has never hitherto brought the circumstance to my notice.

4. He also volunteers similar information concerning another Roomki named Nyasamiar to whom it appears he gave a month's sick leave on the 26th April last since which period he has not been heard of or the circumstance of his absence without leave for nearly a month brought to my notice.

5

I enclose a copy of his Urgee under reference, and beg leave to state that I have dismissed both Roomkis as absent without leave.

6.

The names of neither of these individuals appear in the monthly returns of servants absent on sick leave or otherwise called for by me from the Talooks of the sub-division, in a Circular Order of the 7th February 1856.

7.

I have the honor respectfully to appeal to you how I can be held responsible for the administration of the Tirunthoor Talook with such a native Subordinate at the Head of it his general Official Conduct having before been prominently and repeatedly brought by me to notice.

Extract from a letter from the Sub Collector to the Collector of North Arcot dated 22nd July 1856 N^o III.

Adverting to Para 3 of your letter under acknowledgements I believe I have forwarded the Accounts of all the Talooks of the sub-division except Tirunthoor.

284

5

It is useless for me to dwell further on the conduct of the Tahsildar of that Talook for in every branch of his administration the same neglect and defiance of all authority are observable and the impunity which has hitherto attended him in such courses seems to make him daily worse and worse.

6

On the 6th Instant he designed to forward a reply to my C. O. of the 22nd May last calling for the return required by you and the result of this long delay was an account exhibiting the discovery of two wells in only one Village in his vast Talook which were merely stated to be within 100 Yards of a Government ^{work} of irrigation but whether less than 50 Yards was not stated an essential point and the account was therefore returned for correction on the 15th Instant, it had not yet been returned but will be forwarded when received.

Magistrate of North Arcot dated 24th July 1856 N^o 117

With reference to the communications
from this Office to your address marginally
noted, I have the honor to request that
if in them you do not see sufficient
grounds for recommending the entire
removal by dismissal or suspension
of Gopaul Achary, Tahsildar of
Simuttoor, that you will make some
arrangement for removing him at any
rate out of the Sub Division as I can
no longer take on myself the respon-
sibility of the administration of a
Talook at the head of which is a
man whose present inefficiency
and neglect I am so thoroughly convinced
of and which has so often been brought
forward and the state of whose Office
is, in itself in my opinion, sufficient
to condemn him.

2) Should you not deem
either course necessary, I must respectfully

request that the whole correspondence³⁹

3 I am at this moment
unable to proceed with the Jemmabund

arranged, owing to certain essential
accounts called for on the 10th May
last in a Sakid N^o 92 not having
been prepared as directed and

Instances are given which fully establish this conclusion and which the Board can only pass over on the ground of age and consequent infirmity in a hitherto meritorious servant. They resolve therefore to instruct the collector to call for this officer's immediate resignation.

To the President and Members
of the Board of Revenue
Fort St George

Gentlemen

Nov. 3. 1856

The Memorial of P. V. P.
Sahib Chatterjee, late Sahib
Siddar of Sivanthoor Taluk
in the District of North Arcot

Most humbly sheweth

That your Memorialist has
already addressed two Petitions to your
Board, regarding his recent removal
from his Situation of Sahibdar, which
he held for upwards of 25 years, but
your Board having hitherto refused to
order about him, he ventures again
to submit his hard case for your favor-
able consideration & disposal
your Memorialist having learnt with
regret and surprise lately, that Mr. W.
Stanhope has, in submitting the cor-
respondence of the Sub Collector against
him to the Board, communicated as his
opinion, that your Memorialist is
negligent in the discharge of his duties
and that the Session Judge of Chittoor
also made some remarks against
your Memorialist in some cases, &
he

By your Obedt Servt

he (your memorialist) in consequence
offers for your Board's consideration
the following facts upon which W. Whit-
tingham concluded in an arbitrary way
that your memorialist is negligent &
incapable of discharging his duties ef-
ficiently by his long services, whilst
he (your memorialist) is only 51 years
of age at present. your Board is well
aware that Local Languages of the
country are substituted lately for that of
Maharatta language for the conduct
of public business in all up-country
Revenue cutcherries, and that also
most all the Salook Sheristadars &
Gomastaks of all the Salooks being still
Maharatta brahmins, and they more-
over being ignorant of the Samil lan-
guage, which is required for the due
progress of account business in Salook
cutcherries is the sole cause of the un-
avoidable delay & inconvenience
experienced by all the Sahsildars
of North Arcot District; and although
your memorialist reported repeated-
ly to W. Whittingham the cause of the
delay in the preparation of various
public accounts, that gentleman not
only took no notice of them, but also
arbitrarily concluded & reported to
your Board that the fault rests upon
your memorialist, whilst your Board
is well aware that a Sahsildar is
not an actual preparer of public
accounts, but a Superintendent of
them

2. W. Whittingham has been
pleased to mention in his report against

your memorialist to the Board, that
the session judge of Chittoor, has also
thought proper to make some remarks
against your memorialist's conduct,
in the discharge of his Police duties,
and as all the gentlemen that constitute
the Board now, have respectively been
for many years collectors & magistrates
themselves of some Districts, it is need-
less for your memorialist to state at
length that any Head of Police in com-
mitting Criminal cases to the Court, is
up the requisite documents to experience
often unavoidable delays, because the latter
difficulties & delays, because the latter
not only absconds to save himself the
trouble of going to the Court, and also by
the intrigue of the prisoner's relatives, &
how far it is justice to throw the blame
upon any Head of Police, on occasion
above adverted to, your memorialist
leaves to your Board's justice to say —

-3 Under these circumstances & in
consideration of your memorialist's
long & faithful services as a Sahsildar,
long & faithful trusts, that your
Board having already passed an
order for the removal of your mem-
orialist, upon the separate report of
a collector, shall not be considered as a
bar for a reconsideration of his pa-
per upon its own merits, & for granting him
the redress, which from the justice of
your Board is entitled to expect —
4 your memorialist begs leave
lastly to state, that it is his earnest

wish & prayer for the present to be restored to a Sahibdarship under the Collector's immediate control, of an equivalent salary like Sivattoor Palook, & when an opportunity may offer, to be promoted as a Head or Sub Tahsildar of any District, not very far from the Presidency, and which prayer your Memorialist sincerely trusts your Board will kindly sanction. And for which act of goodness your Memorialist as in duty bound,

only his re-employment,

Sir, My Agent at Chittoor writes to me that
you have taken away the dressing table (which
was left by me in my Bungalow at Chittoor) when
you quitted my Bungalow some time ago,
and when he called upon you to return
it, you mentioned to him that an Engineer,
who occupied the Bungalow before you,
gave it to you as a present; but as no

return the Table to my Agent or procure
me a note from the Engineer stating that
the Table was his property. As an English

Fort Saint George

Sir,

I have the honor to state for the information of Government that on the 13th May last, an application for a pension was forwarded to me by Gopanta Chariy late Tahsildar of the Tiruvattor Talook in this District, but as nearly two years had elapsed since Gopanta Chariy had been placed out of employment agreeably to the orders of the Board of Revenue, I referred the application to them for their consideration. The Board however in Extract of their Proceedings dated 26th July, suggest, that as Government is the proper authority to decide upon applications for Pension, I should prefer the prescribed application to Government with full explanation of the causes which led to the displacement of

Service by complying with

of Gopaula Charry.

2. The accompanying copies of the correspondence ^{* Enclosure 1 to 7.} that passed on the subject of Gopaula Charry's removal from Office afford an explanation of the grounds on which it was effected. In consequence of the representation of Mr. Sullivan regarding the unfitness of Gopaula Charry, I endeavored to prevail upon him to resign, adopting that course out of consideration for his long services, but as my efforts to induce his resignation were unsuccessful, I submitted the matter for the consideration of the Board in a letter dated 26th July 1856, of which the accompanying is a copy. ^{* Enclosure 6}

3. An application in the prescribed form is herewith submitted, but as so long a time has intervened between Gopaula Charry's removal from Office, and his application for a pension, I consider that I am precluded from supporting his application, and would beg to leave the matter for the consideration and orders of Government. ^{* Enclosure 8.}

W. Civil Assistant Master.
Chapter III. Jan 1871.

4. This application was ready for submission in August last, and all that was wanting was

was that Gopaula Charry should appear before me for identification. — Before his arrival at Chittoor, I had left it for Chendragherry, and I therefore requested the Assistant Collector to muster him. — It appeared, however, that Gopaula Charry entertains some hope of being employed in the new Police Force, and is therefore unwilling to appear for identification. On my return to Chittoor at the end of September last, I informed Gopaula Charry that if he intended to obtain employment in the new Police, his proper course would be to withdraw his application, for I considered that if he were fit for such employment, he could not be entitled to a Pension on the ground that "he was incapable from age and infirmity of efficiently discharging his duties." — I have with a view to obtain the proper Medical Certificate 3 times since the end of September, addressed Gopaula Charry instructing him to attend before the Lillah Surgeon, but as he ^{has} not done so I have decided no longer to delay the submission of this letter to Government. — I have the honor to be. —

Sir.

Sir,

2 All that I respectfully and repeatedly request
of you is, Sir, to be pleased to delay recommending
for my pension for a short space of time more,
in consequence of my having a hope of being re-employed
in another Department ere long, and it is needless for
me to say, that no other, but myself is a loser by del-
aying the pension, and therefore, no inconvenience
whatsoever can possibly be experienced to the interests
of the Service by your kindly complying with my wish.

in this important occasion for me.

I must in justice to truth and candour state here that I have been thinking about the sudden cause of your wrath towards me, and I concluded it must be occasioned by some unfavorable reports from the Doctor because there is some old misunderstanding between me and that Gentleman in consequence of his having taken away a Lays dressing table (which I had left in my Bungalow here) when he quitted my Bungalow at Chittoor a few years ago. And as I enclose herein for your inspection a copy of my letter to the Doctor on the subject addressed some months ago and his endorsed answer for it as well as another copy of a threatening note which I received from that Gentleman the other day (or after I waited upon him in last week in the Public Dispensary) I should think it hardly necessary for me to recapitulate the disgusting matter here at any more length.

Under these circumstances, and as you was pleased to communicate to me in the order under acknowledgment that you thought it proper to report to Government about the delay I was apt to make in my appearing before the Surgeon for examination as directed by you, I most respectfully request you will also submit to Government this original letter with its accompanying documents for the consideration of the Right Honorable the Governor in Council along with your recent report in my case. And in case you should be unwilling to comply with my wishes also in this respect, I humbly trust you will be pleased to intimate to me of it without loss of time, that I may do myself the honour of submitting copies of this

Mr Charles Whittingham Esq.
Collector of North Coast

Sir,

I have the honor to acknowledge the receipt of your Tamil order of the 25th Instant, yesterday, expressing again your surprise at my having reported you the fact of my not having received the first of the three Lakeds under enquiry, when I first informed of it on the 11th Instant, to the Zillah Surgeon, I shall, therefore, most respectfully take leave to inform you now of the matter, as it seems to have passed to the best of my understanding - The Lakad in question set out from the Buzoor on the 5th Instant, apparently enveloped by mistake, in the Palnauin Talook Lukicherry, and directed to that of Trinettore, where it reached on the 8th, and when it was thence returned, it has obviously reached to Chittoon Talook Cicherry on the 11th Instant and was afterwards sent to me on the 12th Instant -

I must also bring to your notice that I have waited upon the Doctor in the Dispensary on the morning of the 14th Instant, and mentioned to that Gentleman that I received your instructions to wait upon him, and when he desired me to call upon him again at 12 o'clock on that day, in his house, and as it was inconvenient for me to comply with his desire, at that time, in consequence of it having been the latter end of our last Dussah feast I informed of it to the Doctor on the same date by a letter —

3

Under these explanations in my own justification, I most submissively trust you will be pleased to see the incontrovertible proofs, to acquit me of the ignominious charge of having written a story to the Doctor, when I informed that Gentleman the truth, and the only truth, and from which I am

I think there are
grounds for making

this a special
case, for date
of application

It appears here, that, on the 31st
July 56, he is of Pres. in reviewing
certain instances of neglect of duty
on the part of the Tahsildar of
Saranath (North Arcot), and
which he is, having a knowledge
of the Tahsildar's former mis-
-conduct career, was willing to im-
-pute to advancing age & conse-
-quent infirmity - directed the
Collector to call for his resignation,
and, in the event of his refusal,
to supersede him by a competent
successor, "leaving him to sub-
-mit his application for a
"pension hereafter." As he did
not resign, he was removed, but
feeling himself capable, & being dis-
-satisfied, of further employment,
he omitted to apply for his Pen-
-sion until May last, & even
now he neglects to appear before

tion. Thus upwards of two years
has elapsed since he ceased to be
employed and by consequence, since
the Pension Rules only overlook a
delay of his kind where it does
not originate into the applicant,
Gopaul Chany's claim to Pension
is altogether inadmissible.

2. In a Petition he got leave sent
from the late Tahsildar, he
writes him that he is unfortunately
situated in having incurred the
serious displeasure both of the Sub
Collector Mr. W. Sullivan, in whose
charge he served, and of the Zilla
Surgeon. The circumstances connect-
ed with the latter case call for no
remarks, but he got must express
his surprise at Mr. Sullivan's
correspondence with the ex-Tahsil-
dar. It seems from the first of
Mr. B. letters, which are sent up
in original & are in his own hand-
writing in English, that he was
in the habit of employing the Tah-
sildars of the division over at
Gopaul Chany been president, in

proud that Mr. Sullivan

propriety of making

providing capons for his most
private table. A remittance
from Mr. Sullivan that he birds
supplied by Gopaul Chany were
both clean & high priced was met
by the Tahsildar with the excuse
that he was no judge of capons;
a remark which elicited from
Mr. Sullivan the assurance that
he writes had "bought himself
under his displeasure to an ex-
tent which will not be easily re-
versed." Enclosure No 4 to Mr.
Whitnigham's letter shows that
Mr. Sullivan strongly protests the
Tahsildar's removal for his neglect
of Revenue duties. That his been
the only charge against that official,
the case will have worn a very un-
fortunate aspect. It is however
shewn that there was also some
negligence in police duties, which
was again adverted on by the Re-
venue Judge. At the same time
he got must express his strong
disapprobation of Mr. Sullivan's
letters. They gave him credit for
a better judgment & discretion.
