No. 1419.

*Extract from the Minutes of Consultation under date the 19th October 1858.*

The Government proceed to pass orders on the letter in this Department from the Honorable the Court of Directors dated 30th August 1858, No. 7.

1. The Honorable Court having in the above Despatch sanctioned the grant of a pension to K. Narasinga Row, for three lives from the date of his retirement from office, viz. for his own life Rupees 800 per mensem, half of that amount, or Rupees 400, to his next heir, and half of that again, or Rupees 200, to the third and last life, the Government resolve to authorize accordingly the payment to Narasinga Row and the next two lives, of the amounts of pension specified above.

2. Ordered that a copy of the Honorable Court's Despatch and of this resolution be communicated to the Board of Revenue, with reference to their Proceedings dated 23d April 1858, No. 1454, and with a request that they will report for communication to the Civil Auditor and the Pension Department, the date from which Narasinga Row will cease to do duty and the place where he would wish to draw his Pension.

REVENUE DEPARTMENT.

No. 7 OF 1858.

## OUR GOVERNOR IN COUNCIL AT FORT SAINT GEORGE.

Para. 1. With your letter dated the 28th May last (No. 23) you have forwarded to us a communication from the Board of Revenue, enclosing an application from their Head Sheristadar, K. Narasinga Row, praying for the grant of a Shotrium, or a ready money allowance, for three lives, on his retiring from the Public Service, which he proposes to do on the receipt of our orders on his application.

2. In your letter dated the 26th May (No. 32) 1854, you forwarded a Minute by Mr. Daniel Elliott, in which he recorded his high sense of the services of Narasinga Row, and you expressed a hope that, on that officer's retirement, his claim to the grant of a Shotrium village would receive our special consideration. In our reply dated the 28th February, No. 6, 1855, we informed you that we should be "prepared to give due consideration to the claims of this distinguished and most respectable Native Officer, whose merits and services we fully recognize, when the time shall arrive for his retirement from the Public Service." We also desired

that "in recommending for our sanction the provision which you may consider it proper to make for himself and his family, when he shall be no longer competent for the duties which he has hitherto so ably discharged," you would "bear in mind the opinions which we have expressed in regard to cases to a great extent analogous, as communicated to you on former occasions, and particularly

"in the Despatches referred to in the margin."

3. Narasinga Row has been in the service of Government for more than forty years, during the last twenty three of which he has filled the high office of Sheristadar in the office of the Board of Revenue. He has also on several occasions been selected for the discharge of important duties not attached to his position in the Board's office, and has in every case merited and received the warm commendation of his superiors.

4. You state that you "are of opinion that Narasinga Row fully deserves that special consideration should be shewn to him on retirement," and with reference to the instructions to which we have already alluded, as well as to the case of Neelakunta Row, late Head Sheristadar of Bellary, you strongly recommend the grant of a monthly pension of Rupees 800 (being the amount of his present salary) to Narasinga Row for his life,

of Rupees 400 to his son, and of Rupees 200 to the third life, and you "couple your recommendation with an expression of regret that you are so soon to lose the services of one who, throughout a career of forty years, has on every occasion, evinced an ability, a zeal, and a judgment, which, while they have reflected credit on himself, have been of the greatest value to the State."

5. Fully concurring in your view of the important and meritorious services rendered by Narasinga Row, and considering the expectations which he might reasonably entertain from the terms of our Despatch of the 28th February, No. 6, 1855, we approve and confirm the grant of the pension for three lives of the amount and in the form so strongly recommended by your Government.

We are &amp;c.,
