Extract from a letter from the Collector
to the Court of Wards dated 15th August 1853
No 13.

I have the honor to report for the
information of the Court of Wards the
death on the 15th June 1853 of Kooty Josiah
the late Guardian of the Minor Geminidun
of Shevengurh and to solicit their sanc-
-tion to the appointment of Panayon Ramiah
Deputy Jeodanary on the establishment of the
Collector to the situation on a reduced
Salary of 150 Rupees per mensem.

2. I have felt much difficulty in select-
-ing a successor to Kooty Josiah. x x x
x x x x x x x x

Through the kindness and assistance of
Mr Parker I have been able to make choice
of a person who though he may not possess
all the qualifications of his predecessor,
enjoys a greater share of talent and of
experience in Revenue administration
than he did & is more intimately acquain-
-ted with the peculiar tenures of the
Geminidun

Zemindary and its general affairs than
 any other Officer in the Establishment
 of the Collector. He is a man of respect.
 His family & character & a servant of long
 standing having been appointed so far
 back as 1821, is a native of the same place
 and was much employed in examining
 the accounts & preparing statements
 during the late attachment of the estate
 from 1837 to 1842, and lately as Deputy
 Jewdarry he has been employed under
 the Collector in conducting the corre-
 spondence with the Managers of the same
 -gab.

This is to Certify that Ramier late Guardian to the Minor Zemindar of Shevagungah, is in my opinion unfit for further service in consequence of failing sight, debility and general decay of the constitution which will physically and permanently disqualify him for further active employ and that these have not been occasioned by intemperate or other irregular habits

 The alleged faults which led to his suspension at one time & dismissal at another have not been es-
 tablished by any recorded examination. But such punishments, it appears, were resorted to in those
 cases, as Mr. Parker has once observed at the instance of Jaffer & Quasam, for slight causes
 because there was no difficulty in re-employment.
 Since 1st October 1830, on which date he entered the Collector's Office on a permanent footing, the con-
 duct of Ramiah has always been unimpeached & he is reported to have possessed remarkable abilities & been
 a most useful Revenue servant. He has been deputed by Mr. Blackburne in 1842 to Cooracottah to introduce
 reforms in the mode of management, which had deteriorated very much under the Ministers of the Rajah
 who was a Brinon, & this showing he effected with great fidelity after the Government's system, within
 a short period of 5 months.
 For the reason of his having been made guardian to the Brinon zamindar of Shevaganah, he is to refer
 the Government to the enclosed Extract from a letter addressed to the Comr of Mado by the Asst Collector
 Mr. Clarke, from which it would appear that no other respectable & efficient person could
 then be found for this office.
 Under these circumstances the grant of a pension as entered in the usual column is
 recommended.
