1. Having received application from the retired Constable in the name of justice. I direct that a search should be made in the records in order to ascertain whether their character had been such as to merit the compliance with their request. The result of the search is in their favor.

2. Thomas J. Jackson, one of the earliest settlers of the Judicial Branch of the Colonies was born on the establishment of the settlement of York in 1808, and resided in 1852. His period of service being thus nearly 44 years.

3. The other being Jackson, served as a Constable also for 46 years from 1811 to 1857 when, feeling himself unable to do his duty efficiently, from old age, he resigned.

4. Their long service and the fact of their appearing nothing on record against them induce me to believe their applications for gratuity to be favorable consideration of the Right Honourable the Governor in Council and to recommend, with reference to the fact from the minutes of Council in order

date the 30th of November 1857 that they may be
franked by the D. R. & Co. & Co. being to amount
of 6 months' pay.

I have the honor to be,
Sir,
Your most obedt. servant.
