I hereby certify that Samuel
-mugger, Examiner in the Pay Office,
N. F., labours under a growing
debility of intellect, the result of
advancing age, & not arising, so far
as I can ascertain, from intempe-
rate or irregular habits of life, and
that he is thereby incapacitated for the
performance of his important duties
with promptitude or efficiency.

To

The Secretary
to Government in the Public Department

Sir,

I have the honor to request you will lay before Government my application for Pension for Shumsoogun 1st Rank in my Office - He has served a period of upwards of 33 years and has always borne an unexceptionable character -

The length of his service, the continued hard work of the duties of his appointment with occasional severe and prolonged attacks of acute Rheumatism have weakened his mental powers and rendered him quite unfit for his work - The duties of an Examiner requiring as they do a clear intellect with good memory cannot be even tolerably well performed by one whose mental powers are so feeble as those of him for whom the present application is made. I therefore consider it my duty to bring him before Government as a suitable subject for Pension to prevent confusion and trouble arising from an imperfect audit of the multitudinous accounts which are now adjusted in this Office -

That you will lay before Government my request that he may receive as Pension, the half of the Pay received by him

now for the last 13 years-

I have the honor to be
Sir

Your most Obedient Servant
