From A. A. Murray Esq. 19
Private Secretary to the
Right Honorable the Governor.
To
J. Pycroft Esq.
Chief Secretary to Govt.
Fort St. George

Sir,

I have the honor to forward the
accompanying three petitions from the
individuals named in the Margin,
employed as Garden Women on the
Government House Establishment, who
have become unfit for the performance
of their duties as stated in the Medical
Certificates appended to their applications.

On referring to the records
of this Office I find that Parea
Narasee was entertained on the
Government House Establishment,
on the 1st November 1824 and
Sutchnee on the 1st August 1834.
having

having severally served over a period
of 33 and 23 Years and during
which time they would appear to
have performed their duties in a very
satisfactory manner.

With regard to Ungumwah,
who states in her petition that she
was entertained during the adminis-
tration of the late Sir Thomas
Munro, and served under the name
of Valle Ammah I find on reference
to the Annual Returns of the
Establishment, that the name of
Valle appears up to the 30th November
1847. and that of Ungumwah
in the month immediately succeeding.

On enquiring of the oldest
and the Principal servants, viz Head
Butler Pomapoh (37. Years on the Est^l.)
2^d Butler Subaputty (32. Years - do -
Head Gardener. Soharagen (36. Years - do -
they all testify to her being the
individual

2/
individual represented by both
names.

It appears true therefore
from the testimony of these old
& respectable servants that the
identity of Ungumwah has been
satisfactorily proved, and I beg to
recommend her case together
with those of Garden Women
Parca Karasee and Lutchnee to
the favorable consideration of
Government.

I have the honor to be,
