Referring to the Endorse-
ment of Government, dated 16th Instant
on the enclosed Petition N^o 92 of 1858,
I have the honor to refer the Right
Honorable the Governor in Council
to Extract from Minutes of Council

admitting the Petitioner to a Pension
on the Report of the Medical Board,
and thereby sanctioning the grounds
on which I had originally applied
for a pension to be conferred on him.
Under these circumstances, the
orders of Govt. alluded to in the

 From the Collector of Chingleput—"—" 20th January 1858.

The Government observe that their orders admitting Hanoomaji Pon to a pension do not supersede their previous orders of 13th July last whereby the Collector of Chingleput was directed to make good to that party the amount of his salary for the 5½ months that he was out of employ -

2. The fact of Kanaoiajui Row having been since pensioned does not invalidate his title to this sum - and as Gov^t. cannot consent to burden the State with a double payment on this account - the amount must be disbursed to this individual by Mr. Shubrick himself, by whose disregard of orders - as shown in the E. M. C. already quoted.

of one Hanumanjee Boro, who
had been removed by Mr. Sutruk
from the post of Tahsildar, & recom-
-mended for Pension.

2. Mr. Kurbick stated that he knew
was a leper, and his personal ap-
pearance quite some. The Illinois
Surgeon a Dr. Kellie, on the other
hand, described the disease as an
absorption of the pigment of the
skin only, & as being unattended
with any of the disgusting appea-
rants of Leprosy.

3. Govt declined to sanction the proceedings taken by the head of the Office, & directed the man's reappointment to the first vacant Tahsilدارship.

employment, it was ordered, on
pursuit of his petition, that
the Collector sh^d make good
to him his losses, Petitioner's
removal sh^d be effected in
violation of certain standing
orders (quoted in the E.M.C.)
and especially arbitrarily.

5. Shortly after this, the Collr.
requested Govt to reconsider
their orders for the restoration of
the Tahitian to office - and Govt
were pleased to direct the man
to appear before the Medical
Bd., who reporting him to be
a leper, he was forthwith
pensioned - E.M.C. No 313.
dated 13th November last.

6. On the ex-Tahitian's further
petition No 92 of the present
year that he 5 1/2 months'
salary had never been disbursed
to him by the Collector, the Govt
was required by endorsement
to furnish an explanation -
This is contained in Mr. Thos.

- Wick's letter above recorded.
He contends that by ultimately
pensioning the man because of his
leprosy, he Govt have sanctioned
the summary measure of
turning him out as a leper,
which was in the first instance
disapproved.
If this is so, who is to reimburse
- rate Manumaupe Row?

The following opinion was written
that he was too arbitrary in his proceedings.
The man however sh^d not be pensioned
till the payment be made
by a special order under the cir-
cumstances.

At.

Manumaupe Row sh^d certainly not suffer
lest I don't see how the Govt. can pay him
without violating the principle that the
pay of one officer cannot be disbursed to two diff.
individuals.

It is found no principle in the matter
the man has been pensioned - & the
Govt as they object to make these
loans to servants pay in back
copies must
