in certain Post Offices in the Madras Presidency.

Resolution

The Director General of the Post Office
in India applies for the grant of superannuation

Their average salary for the last 5 years of their
service is stated as Rs 15 & 25 Rs each, and the amount of
pension applies for them at Rs 7/8 and Rs 8-1-1 being
1/2 & 1/3 of their average salary.

The Civil Auditor Madras reports, however, that the services of L. Sanniah extend over a period of 21 Years and 18 days (from 9th April 1835 to 30th September 1856.) and those of P. Appasaamy Pillay over a period of 23 Years & one month (from 1st April 1834 to 30th April 1856), that the difference between his calculation and that of the Collector, in regard to the services of the former Applicant is attributable to a hiatus, in the Applicant's service of 13 months, from 9th March 1834 to 9th April 1835, which renders his services previous to 9th April 1835 inadmissible for pension, and that the cause of this hiatus both he and the Inspecting Postmaster Mount Division are unable to ascertain.

Under the circumstances stated by the Civil Auditor, the Right Honorable the Governor General in Council is pleased, in accordance with the Pension Rules of the Unconquered Service, to grant to both the Applicants pensions equal to 1/3 of their average salary viz Rupees 5 per month to the former and Rupees 8-4-0 to the latter Applicant.

Ordered, that a copy of the above Order Resolution be sent to the Home Department for communication to the Director General of the Post Office in India.

Ordered also, that a copy of the same together

together with the original Pension Rolls be sent to the Civil Auditor Madras for information and guidance.
