This is to certify that I have this day examined Runga Rao Moonsundar of the Superior Talook that he is old, worn out and unfit for further service; and that as far as I am able to form an opinion he has not been rendered unfit for service by intemperance or other irregular habits

Trichinopoly Collector's Office 14th January
1858

From

J. Diet Esq.

Collector of Trichinopoly

To

J. Jeycroft Esq.

Chief Secretary to Government

Fort St. George

Sir,

I do myself the honor to
submit for the favorable consideration
of the Government the case of Rengas Rao
Deogannath of Tennore who is disquali-
fied for further service from general
infirmity and old age. In consequence
he is anxious to retire from the service
and has made an application for his
pension.

2.

The Garrison Surgeon has
granted him the requisite medical
certificate, and I beg to recommend
him for the maximum rate of one third
of

of his average salary for the past five years, Rupees 9.

3. From the Records of this Office, it appears, that Rengas Rao whilst Incharge of Amaluru Talook was suspended on the 31st July, and dismissed from Office on the 25th August 1832 by Mr. Boudellon Head Assistant Collector "for having corruptly received money in the performance of official acts to the amount of Rupees 25. 12--" But on an appeal Petition presented by this individual, the Board in their Proceedings dated 5th June 1834, reversed the award of the Head Assistant Collector adjudging the Incharge to pay the sum of Rupees 51. 8-- and directed that, he be restored to his situation. He was re-employed as Incharge Deputy Gornastah on the 30th October 1834.

4. The whole period of Rengas Rao's

94
Rao's Service is 27 years 10 months & 11 days. The interval between his removal and re-employment exceeds the period of 12 months prescribed by the Honorable Court's Order, November 27th 1855, regarding continuous employ; The applicant's Service subsequent to the break amounts to 23 years 1 month & 22 days, and entitles him to a pension of one third of his salary. His whole Service was in this Province as verified by the records of my Office, and exhibited in the accompanying Statement.

5. Rengas Rao is now in his fifty ninth year, and a Brahmin by caste. He wishes to draw his pension from this Collectorate, and to reside at Trichinopoly.

6. His Pension should

Commence

Commence from the 1st January 1858.

Report of the Civil Auditor

The Civil Auditor has the honor to report, that the authorized official allowance drawn by Rungas Row, late Hozycondar of Toriore Salook in the collectorate of Trichinopoly, for the last pension five years of his service is Rupees 2,800 per annum; and that his service under the Government embraces a period of 22 years up to 31st Dec 6 months and 2 days; vizt. from 26 October 1834 to 30th April 1857, up to which date only returns from the collector of Trichinopoly have been received.

A break of 26 months occurring between the above service and that rendered previously, caused as is reported by Mr Bird by his removal from office renders the previous service inadmissible to count for Pension.
