Madras 8th January 1835.

This is to certify that T. Sadaserum has been employed as Head man of the Hoërle Company's Light House Establishment since November 1827, and has always been very regular and attentive to his duties.

Lieut Col. Sup. Eng. P.D. in Charge

Madras 13th October 1845.-

This is to certify that during the time (about 21 months) that the new Madras light was under my charge the bearer Sadasorum held the situation of deputy Superintendent, and from what I observed of his conduct then, and previously when I knew him as Superintendent of the old light, I have a very high opinion of his efficiency, trustworthiness, and ability, and I hope that he may long continue his useful services to that establishment.

Honored Sir

With profound respect and
Submission I beg leave to lay before your goodness
application for a Superannuation pension and request
you will be pleased to take my case into your kind
consideration and favour my humble request.

That my late Father T. Teyazaroja Moodely
served as Head man of the Honorable Company's Light House
for upwards of 21 years on a Salary of 10¹/₂ Rupees and died
in June 1827 on which I succeeded to his place on the same
Salary and served up to 1st January 1844. in which year
the new Light House was established and Captain
J. T. Smith (Engineer) who had the Charge of the Light
House was pleased to increase my pay from 10¹/₂ to 21
Rupees in January 1844 as he was well aware of my
qualifications for the duty from his being in the habit
of often visiting the Light House during 7 years
previous to 1844.

Ever since I was employed in the Light
House I continued to attend in the day and take my
bed in the night.

in the nights at that place. I was never absent since the new Light House was established, except on any particular occasions I continued to sleep in the passage at the top of the new Light House for about 21 months and then down stairs when I made it my duty to go aloft and look at the light twice or thrice in the night for fear of any mistakes and trust that the unremitting care and attention I have thus bestowed in the discharge of my duty have merited the approbation of my employers and a perusal of the 2 Certificates herein enclosed will testify my assertions.

The close attachment of my duties and breaking of rest at nights together with the strong glare of the Reflectors have impaired my Eye Sight and the Confinement for several hours each night in the limited Space of the Lantern where the temperature is unusually high as to cause profuse perspiration and the unavoidable exposure to the cold night air on quitting the lantern has I am led to believe finally contributed to my misfortune of losing the use of my limbs from a severe Stroke of Paralysis and I humbly beg to assure your goodness that it is of the Sacrifice of the little means at my command and ruining myself with debt that I have been able to recover to the imperfect state I now stand in.

In conclusion I beg to add that the period of my service is now full 30 years; my present Salary 21 Mupres per month and my age 52 years and under the circumstances above stated I trust I shall be considered unfit for further Service I therefore beg respectfully to solicit that your honor will be pleased to submit my application for a Superannuation Pension with your kind recommendation for the benevolent consideration of Government.

I beg leave to remain with much respect

Honored Sir

your most obedient and humble Servant

T. Sadasivum. Moodelly, Deputy Super-
intendent of the Madras Light House
having applied to me for a Certificate on
which to forward an application to Govern-
ment for Pension.

I do hereby Certify that T. Sadasivum
Moodelly Deputy Superintendent of the
Madras Light House appears to me
to be permanently disqualified for the
further performance of his duties, and that
no relaxation from duty or judicious treat-
ment is likely to improve his incapaci-
ty. ~~it~~ being the result of Paralysis af-
fecting the right side of his Body, also im-
paired vision.

So far as I have been able to ascertain
his incapacity has not been occasioned by
Intemperance or other irregular habits.

To
T. Pycroft Esq^r
Chief Secretary to Government
Fort Saint George

Sir,
I have the honor by desire of the Marine Board to forward the accompanying petition from T. Sadasevam Alloodely, the Deputy Superintendent of the Madras Light house, praying that he be allowed to retire on a Superannuation pension in consequence of his failing health and impaired sight preventing that attention to his duties which their importance requires. The petitioner has been in the service of Government upwards of 30 years, as certified in the documents attached to his petition, and as his conduct appears to have been most satisfactory and the Medical certificate testifies to his being in an unfit state to continue at his duties, the Board beg to recommend that he be permitted to retire on a pension equal to half his salary or Rupees 10-8-0/10 and annas eight per month.

I have the honor to be,
Sir,
