I do hereby certify that I have carefully examined Halingiah, Sheristidas of Soudah Talook, and find that he is suffering from Asthma, which from his failing health, in consequence of age there is no prospect of his recovering from - I further declare that to the best of my judgment he is worn out, and totally unfit to discharge the duties of his present responsible position.

Fort St. George.

Sir,
I have the honor to forward an application accompanied by a Medical Certificate, for a superannuation pension in favor of Kalingaya alias Kalinga Row, the Shireetadar of the Sonda Talook, who is incapacitated for further active duty, by old age and bodily infirmity.
2. The services of the applicant extend over a period of upwards of 42 years, as shown below, but it must be observed that the appointment of Pymashi Peishcar, held (it appears) for a period of three years, two months & 11 days, seems not to have been entered in the Moyni Habitah. In consequence of the destruction of the old records, I am unable to trace the applicant's career during this period, but the large amount of pay he then drew, as compared with that attached to the situations held by Kaling Row, both before and after 1826, lead me to suppose that the minor but permanent
