From

To

Acting Collector of
Masulipatam

T. Pycroft Esq^r

Chief Secretary to Gov^t
Fort St George

Sir,

Para 1 I have the honor to submit
for the consideration of Government the
propriety of further explanation being
given of the notification regarding the
late Native Pension fund dated 29th April 1853

2 It was considered that under the
terms there laid down, a refund might be
paid when an application for it had been
made before the proper local officers &
previous to the 29th April 1854, and several
payments were accordingly made, but
they have all been retrenched by the
Civil Auditor, who requires the original
applications &c to be sent for his perusal.
The accounts of this fund have been
closed very slowly but the delay will
be

be considerably greater if each case
has to be considered by the Civil Auditor.
I submit that that officer should allow
the Collectors' competency to judge of
the date when the original applications
had been made.

I have the honor to be
Your most obedient servant

The Govt think it will suffice, if Collectors
certify to the Civil Auditor that payments made
by them out of the balances at the credit of the late
"Native Pension Fund" have been made only in
cases where the claim was preferred within the period
assigned by Govt as the limit.
