The humble petition of Cooper Thambi
a Gardener attached to the Government
Gardens.

Humbly sheweth

That your poor Pet. prostrating himself
at your benevolent feet, begs leave with much
respect and submission to bring to your Honors,
kind and gracious notice, that he has been a Gardener
attached to the Government Gardens, for about the
last 25 years, but unfortunately about 12 months ago
on getting up a Mangoe Tree to cover the mango
with shells, he accidentally fell down and dislocated
his hips. Whereupon being sent to the Hospital,
he unhappily could not obtain any relief there,
and was in consequence obliged to be taken to his
Native Village, where also to his great misfortune,
he could obtain no remedy. That about Six
Months ago he appeared before your Honor, in the
same disabled state, and was offered a donation
for his past services, but being still anxious of
devoting his services, he left a substitute, with
the intention of returning to his duty again, im-
mediately on his recovery, but his sad destiny
is such, that he can scarcely crawl about, and
having a large family to support consisting of
a wife and several children his miseries are
rendered doubly hard and painful.

Under

Under these Circumstances your Petr
throws himself at your honors well known
charitable feet, and he prays and implores
your honor will pity his poor miserable con-
dition, and for the love of the Almighty God,
grant to him some small provision for the
remaining days of his wretched life, or a dona-
tion for his past services of 25 years, so that
he may by your honors favor and charity
obtain some relief in his present painful
state, and during the remaining days of his
poor humble life, he shall never cease both
by day and night to praise & celebrate your
honors good and charitable name, with feeling
of the most heartfelt gratitude, & further
as in duty bound.
