To

The Secretary to Government
Military Department.

Sir,

In conformity with the Orders of Government, conveyed in an Extract from the Minutes of Consultation of the 25th Ultimo, I have the honor by desire of the Commander of the Forces, to intimate that, I have engaged, subject to the approval of Government, a Draughtsman for the service of the Quartermaster General's Department in China, at the monthly salary of 150 Rupees.

Mr. Harvey the Draughtsman alluded to, has served in this Office as a boy and man for the last 28 years. He has now volunteered his services for China, and is a first rate Draughtsman, a man of good character, and wholly to be depended upon, and I beg further to recommend

Recommend, that he may be permitted
to embark one Servant and allowed
rations from the public Stores, during
the passage to China.

I have &c.

To,
The Secretary to Government,
Military Department.

Sir,

I have the honor by order of His
Excellency the Commander in Chief, to submit for
the most favorable consideration of Government, an
original letter from the Head Draughtsman of this
Department, soliciting an increase to his salary, on
grounds of long service, and the disparity between
his salary and that of Draughtsmen in his
position at the other Presidencies.

The letter it will be observed is of
old date. It was not forwarded to Government at
the time it was written, because it was thought that
his request would have a better chance of being
favorably responded to, after my Map was published
than before.

That Map, though not available
for purchase yet, has nevertheless been presented to the
Most Noble the Governor General and to the Right
Honorable the Governor, and His Excellency desires
me to say, that the labor Mr. Hawry has devoted to
that

that work does him infinite credit. But for his ability and assiduity, the valuable collection of Geographical and Statistical information made by me would probably never have made its appearance in its present complete and minute form.

If there were no other grounds for supporting Mr. Harwys request, this alone would His Excellency consider, form a very sufficient one, for advocating an increase to his salary.

But Mr. Harwys long and valuable services for upwards of 40 years also, entitle him to a higher salary than Rs 70. For that salary at the present day, when Draughtsmen are in such great request, an individual possessing any thing like his knowledge of his duties, cannot be obtained, and taking also into consideration, that he is a man of most excellent character, and of un- failing regularity in his attendance at Office, His Excellency strongly recommends, that his salary be increased to correspond more with the Head Draughtsman in other Departments of this Presidency and the other Presidencies; the increase to be sanctioned from the date of his application.

To Mr. George
