with the *Acting* and Judge *Macdonald* of the 18th Feb.
I consider the *Acting* from all age and infirmity in-
-able for the work of a *Man*, but the *Sagehen* appears
fit for his duties as described in the memorandum. I
am not aware of the peculiar habits of the *Man* but there
is nothing in his present condition that is the exception
that they have been intolerable or irregular. He is strong
is not likely to be retarded by temporary debility.
